 - If clubs want other items (ie: soccer w/chick-fil-A) - they can set up their own table and have their own cash box to keep earnings separate from the Booster Club Concession stand. Example of this currently: Football team w/Food Trucks and this winter, Girls Basketball will be selling cotton candy at two GBB events this year. This will not be run out of the concession stand. They are doing this independently. Football Fanatics and Mr. Ihrke contacted us for approval for these two examples.
 - Discuss and Vote on this topic: Clubs cannot sell items we currently sell in the concession stand
 - Popcorn poppers - fixing and cleaning or replacing? Vote on options. Look at cost.
 - Sign up Genius was sent out for clubs to sign up for additional winter events. We will be adding slots for basketball tournaments in January and March once we have more information

- Booster members, please consider signing up to open or close a concession stand event. Link to sign up genius
