Class Make-up Policy Change

In order to better schedule gym and staff time, and to provide consistent, high quality gymnastics instruction, we ask that you make every effort to attend your regularly scheduled class. We realize, however, that sometimes events occur that prevent you from attending a class and you may need to schedule a make-up. If this situation should arise, the following policy will be enforced.

- There is a limit of one make-up per session over summer and three over the school year.
- The make-up must be scheduled through the TCT office. You must sign up in advance. There will be a max number of students allowed. Check with the front desk for available dates and times.
- Make-ups during the school year will be scheduled for October or later, space permitting.

Inclement Weather Alerts

Winter is here so we all try to be prepared for that really bad snow storm. In the event of bad weather, TCT will keep a notice on the home page of our website and on our Facebook page. In the event that we cancel classes due to weather, the website will be updated and an email will be sent to all parents affected by the cancellation. This includes all contacts (in Jackrabbit) that have email addresses.

The TCT Spring Show Is Coming!

This year's Twin City Twisters Spring Show will be May 16-17, 2020. Your athlete will get to "show off" what they've learned throughout the year. The show is a low key, non-stressful, demonstration that is similar to a class. We set up bleachers for the family to come out in the gym and watch the action up close!

Spring Session class rates reflect several things included with the spring show which means registering for Spring session is all you need to do. Last year we had over 800 students participate in the show throughout the two days. It's a fun time for all!
