Good, tight officiated games

To try and create the best competition, as we normally do, we will try to have an upper and lower bracket for each grade level unless the entries look to all be the same level.

A great Facility to host a tournament- 5 full size courts, all wood floors.

See new teams. Usually half the teams are from Illinois and the other half is from Wisconsin.

Plenty of space for spectators

Room for teams to meet between games

Visit Lake Geneva between games or before and afterwards. A lot of organizations make this a weekend trip.

The registrations are attached.

If you have any questions, please feel free to call or email me.
