

Cloverdale Minor Baseball

17790 #10 Highway Box 34163, Surrey, BC, V3S 8C4

CMBA League Sponsorship Request Form

Dear Sir or Madam,

Cloverdale Minor Baseball Association (CMBA) offers fun and competitive baseball programs for over 800 girls and boys between the ages of 5 and 25 in 13 different divisions, including our Challenger Division for youth with cognitive and physical disabilities.

CMBA is committed to excellence through exemplary leadership and integrity. Our vision is to make a lasting impact on the personal development of our players. Through developing the qualities of citizenship, teamwork and physical well being we aim to create a culture where kids love to play the game while developing into superior citizens. The joy they find in these experiences will last a lifetime.

Cloverdale Minor Baseball is well known throughout the baseball community for hosting large events and championships. We organize and host the largest single park tournament in Western Canada every year (The Boulanger over the Canada Day long weekend) and the largest 9U tournament in BC (the Andrews Invitational) every August.

Cloverdale Minor Baseball currently features:

- Number of player-families in our association - 850
- Number of games played at the ballpark – over 700
- Number of spectators, fans and visitors to the park – approx. 50,000
- Number of website hits (www.cloverdalebaseball.com) – approx. 125,000

As youth athletics seem to be constantly getting more expensive, we at Cloverdale Minor Baseball are committed to offering kids in our association a cost effective way to receive both a fun recreational activity as well as top level of baseball and athletic training for those who want to pursue their dream of a college scholarship or even a professional baseball career. To achieve this goal, we need financial support from local businesses and individuals to help pay for important to give our kids the best possible experience.

These items that your sponsorship dollars will help support are:

- Professional training for both our volunteer coaches as well as our players

- Facility Upgrades: We are constantly in need of upgrades to our batting cage and fields
- Challenger Program: This program gives kids with special needs the opportunity to play a sport that they would have not been able to play in the past.
- Uniforms and Equipment
- We have a long-term goal of putting in a turf field for all weather use

This is an opportunity for you and your business to be an integral part of our association which we see as a leader in youth sports in our province. Please take some time to look at the sponsorship options and consider how you can assist.

1) Hall of Fame Sponsor: \$5000

Includes banners on 4 of our main fields and your logo and a link on the CMBA website as well as recognition at all major functions.
