HALL OF FAME RINGS DONATED BY CAMBRIA

THE HALL OF FAME INDUCTION PROCESS

The Minnesota Football Hall of Fame honors those unique individuals whose efforts in coaching, administration, and promotion of football have been truly outstanding.

Hall of Fame nomination forms are submitted to Football Coaches Association Officers and Hall of Fame Committee members. The selection committee meets each winter to review the Hall of Fame nominees and make selections.

The Hall of Fame inducts members into one of three divisions:

The **Citation Division** honors support to the promotion of high school football over a long period of time.

The **College Division** honors college football coaches, players, and support personnel who have achieved a standard of excellence over many years.

The **High School Division** honors our football coaching colleagues who have spent the majority of their professional years serving the high school student-athletes of Minnesota.

BUTCH NASH OUTSTANDING ASSISTANT COACH AWARD

The Butch Nash award is one of the most significant recognitions the MFCA awards. Named in honor of the legendary Gopher football assistant coach, George “Butch” Nash, the award recognizes those coaches who represent what is best in assistant coaches everywhere.

Butch was respected, honored and revered by all whose lives he touched: players, colleagues, and public. During his extraordinary career as a Gopher assistant coach, he exemplified the endearing qualities of coaching competency, unconditional loyalty, integrity, many years of dedicated service, pride in his profession, and unrivaled passion for the Golden Gophers and the game he loved.

The MFCA is proud to recognize those coaches who have, over a career, demonstrated the qualities embodied in a true legend and one of the original 'Keepers of The Game'.

Rand Middleton ★ West Central Tribune, Willmar ★ Citation Division

Rand is a graduate of Cadillac High School in Michigan. He went on to graduate from Michigan State University in 1967. Following that, he earned a master's degree in 1970 from the University of Northern Colorado. After finishing school, Rand began his career in the news business in Michigan, but in 1974 he moved to Willmar, Minnesota.

When Rand moved to Minnesota, he started working for the *West Central Tribune* in Willmar. Rand is still a reporter for the WCT. Rand has won awards from the Associated Press and the Minnesota Newspaper Association. He was the Willmar Cardinal Football reporter from 1980 – 2014. Working at WCT in the fall was an exciting and busy time. His primary coverage area has been the 19 schools in West Central Minnesota, including such programs as BOLD, Benson, New London-Spicer

and Dawson-Boyd, and of course, Willmar. The first half of games Rand would go out and shoot photos, rush back to the office and start taking phone calls for the 19 teams that the WCT covered. He took scores, stats, and box scores to give the people of Willmar area a vivid recap of what happened on Friday night's football games. Rand also enjoyed the preseason, going around and taking photos of teams and coaches as they prepared for the season. Rand tells us that he remembers dealing with these fine coaches in particular: Deryl Ramey, Terry Karlsgodt, Steve Solem, Dan Essler, and Steve Hill. However, he developed a respect and admiration for all coaches during his time at WCT.

Rand is married to Donna and has two children, Carmen and Peter. In his free time he enjoys traveling around the United States and returning to Michigan. Rand's big trip took him to Japan!

He taught social studies from 1973 – 2013 when he retired from teaching but is still coaching football at Totino Grace.

Experiences like this are in no particular order: state championships, coaching with my son, being able to share these experiences with my wife Rene, being hired by Dave Nigon and then working with Jeff Ferguson, being able to coach my sons, and having my father come and watch me coach from the bleachers giving me the thumbs up sign, and all of the parents, players, managers, and teachers that helped make this an awesome and blessed experience!

In Bernie's free time he enjoys walking, swimming, reading, a good movie, and traveling. Bernie has two sons, Brian and Michael.

The Don Swanson award represents exemplary service to the MFCA. It is presented annually to a member of our association who personifies what the late Don Swanson exemplified: unconditional service to and for football in Minnesota. "Swannie" was a respected teacher, coach, administrator, and friend to all who knew him. His passing in 2009 left us all with a void. He was a proud graduate of South High school and Gustavus Adolphus College and a life-long educator in the city of Minneapolis. His work as part of the MFCA clinic is legendary and he will never be replaced. In honoring "Swannie," we remember his sense of humor, his quick wit, his engaging charm, and, most importantly, his tireless efforts on behalf of students and coaches. He was one of our finest — a true 'Keeper of the Game'.

CODE OF ETHICS

PREAMBLE

One of the distinguishing characteristics of a profession in education may be that its members are cognizant of, and perhaps dedicated to, rendering a service to humanity. As educators who choose to coach football, we must understand that the justification for football is that it provides educational and physical values for those who play the game, and the game essentially belongs to the players who choose to play it. The welfare of the game depends on how coaches live up to the spirit and letter of ethical conduct, and how coaches, as educators, model ethical conduct, and remain mindful of the trust and confidence placed in them by colleagues, players, and the public.

PURPOSE

This code of ethics has been developed to protect, promote, and preserve the best interests of the game and the coaching profession. Its primary purpose is to clarify and distinguish ethical and professional practices from those which are detrimental. Its secondary purpose is to emphasize the value of football as an experience that contributes to the overall education of the student-athlete and to stress proper functions in relation to schools, players, and the public.

ARTICLE ONE – RESPONSIBILITY TO PLAYERS

1. Coaches shall be aware of the tremendous influence they have on the education of the student-athlete; therefore, they shall never place the value of winning above the value of instilling the highest ideals of character and integrity.
2. Coaches shall follow or create and enforce a set of training rules for players that reflect the positive values of abstaining from drugs, alcohol, and tobacco.
3. Coaches shall never place the value of winning over the safety and welfare of players.
4. Coaches shall not exert pressure on faculty members to give players special consideration.
5. Coaches shall show respect to all players by treating them with integrity and honesty in both verbal and nonverbal behavior, regardless of their role or contribution to the team.
6. Coaches are responsible for their players' actions on the field and must not permit them to perform with the intent of causing injury to opposing players.
7. Coaches shall not seek unfair advantage by teaching deliberate unsportsmanlike behavior to players; they shall instruct players to play within the written rules and within the spirit of the game at all times.

ARTICLE TWO – PROFESSIONAL BEHAVIOR

1. Coaches shall exemplify the highest moral character, behavior, and leadership.
2. Coaches shall display modesty in victory and be gracious in defeat.
3. Coaches shall promote ethical relationships among fellow coaches.
4. Prior to, and following contests, coaches for the competing teams should meet and exchange cordial greetings to set the correct tone for the event.

ARTICLE THREE – SPORTSMANSHIP

1. Coaches shall exhibit, model, and teach good sportsmanship.
2. Coaches shall exert their influence to enhance sportsmanship by spectators, both directly and by working closely with cheerleaders, pep clubs, booster groups, parents, and administrators.

ARTICLE FOUR – SCOUTING

It is considered ethical to scout opponents only during games and agreed upon scrimmages, and within the designated rules of the conference or section by-laws. The head coach is responsible for the actions of his scouts.

ARTICLE FIVE – RELATIONSHIPS WITH GAME OFFICIALS

Coaches shall respect the integrity and judgment of the game official. Coaches shall not indulge in conduct which would incite players or spectators against officials. Public criticism of officials is considered unethical.
