

GYHA December Board Meeting

December 17, 2025

Board Members Present: Don Johnson, Bill Ryan, Veronica Lamendola, Jeff Linn, Baillie Hults,
Aly Miser

OLD BUSINESS

GYHA meeting minutes from November were approved.

SOCIAL MEDIA

Aly will take control of social media accounts, Veronica will assist as needed.

Aly will post that LTP registration is open, and advertise for the girls skills clinic on January 10th.

Aly will move forward with subscription to Microsoft Teams and complete the set up. Set up takes about an hour.

Ryan chose the new GYHA computer, costing approximately \$325, and Ryan will keep the computer with him.

BOARD ELECTIONS- GYHA chose the election committee, this will be Don, Bill, and Baillie. Don will research insuring GYHA.

FINANCIALS- no change, Don and Ryan need to go to Truist to transfer funds. The cash was deposited from last month. The check from The Ice House was deposited. GYHA would be interested in putting back into the ice house for improvements using those funds. Need 1099 for learn to skate coaches.

MITES PROGRAM- Veronica suggests adding to the newsletter details of what is expected of our mites as players.

The season is going well, coaches are considering reorganizing the color groups, for many players have improved thus far into the season.

Marci will send out a list of who is up to date on their coaching credentials.

Game schedules are looking equal and fair. There has been a shortage of families volunteering to go to away games. This may indicate a need to ask families about traveling on mites registration form.

Break at 6:28

LTP- Learn to Pay starts January 19th, with 7 brand new skaters- 36 children total, registration is ready to be opened to the public. Aly will make a social media post that registration is open. The next session of LTP will be right after THFF.

GYHA must operate a table, and the "chuck a puck" table at the Gargoyles game. GYHA will create a sign up genius to see if any parents want to volunteer to run the table, rotating if needed.

Raleigh CGHL jamboree was cancelled, Baillie needs an invoice for the extra ice time added to the girls skills clinic.

Meeting adjourned 7:11
