

August 2020

Dear fellow BBSC Member:

May this letter find you healthy and enjoying your summer activities despite the challenges we face during this pandemic. Please know that the BBSC Board of Directors takes their leadership positions very seriously. Despite having to cancel a number of BBSC events and trips for the health and safety of our members as a result of the pandemic restrictions, we remain optimistic that we will return to the social events we all have enjoyed in the past.

We recently made the decision to cancel this year's combined Champagne Brunch and Annual Membership Meeting in mid-September because we cannot safely meet as a large group. **WE WILL HOLD OUR CLUB'S ANNUAL MEETING VIRTUALLY ON-LINE VIA A ZOOM MEETING, SUNDAY, SEPT 13; 5:00PM MDT.** Special Guest, Brad Wilson, will give us an update on recent mountain improvements, recap this past summer's activities and review management's plans for opening and operating this winter. We look forward to your participation. The link to this virtual meeting is [found here](#).

A few BBSC events (past and upcoming) that allow us to safely physical distance while still being sociable include: Monthly Social MeetUps in the parks, the Boise Greenbelt bike rides, the Weiser River Trail Bike Ride August 29, and the Bike Wine Tour at the end of September.

Going forward, all BBSC planned activities will depend on the current level of COVID-19 confirmed cases in our community. If it is deemed that acceptable levels of risk permit people to safely gather and enjoy social events, we will endeavor to plan BBSC events accordingly.

We promise to keep you informed on the status of those yet-to-be-determined events so that you may participate if you so choose. Continue to check the [BBSC Website](#), the [BBSC FaceBook Page](#), the [BBSC Meetup Group](#), and BBSC emails for posted future events and planned trips.

What we do know at this time, is that our annual Warren Miller Festival event and the associated Premiere Party are canceled for this year. We will let you know about the Ski Swap when that decision is made by the BBSEF.

Bogus Basin has done a stellar job with this summer's various activities while trying to keep patrons safe. They plan to continue their efforts this winter.

Please know that the BBSC continues to be fiscally healthy. We do appeal to you to continue your membership, and we are looking forward to our future ski, social, and travel events in the months and years ahead.

Wishing you good health and prosperity in the future,

Your BBSC Board of Directors
