To WCYHA Board of Directors

2330 South Main St, West Bend, WI 53095

Please accept this as my letter of intent to run for the Secretary/Registrar position.

My family has been members of the WCYHA since 2011, since that time I have been an advocate for our association and "its try hockey for free" program and the "intro to mite" program. My belief is we need to start with a solid beginner program and the rest will take care of itself. I have served as team manager and have been Safesport certified.

My players are Dane 07" PeeWee and Tanner 09' squirt. In our 8 years belonging to this association this sport has brought much growth and joy to our boys and will for years to come I have no doubt. (It is both their favorite sport but please don't tell their father who coaches them in baseball.)

I am excellent at managing my time, I own a successful banquet hall in Richfield and also manage a First Weber real estate office, if you need a job done I am your girl. I serve on the ethics board for Realtors and have served on the board of directors for Germantown Little League. I have a full understanding of how this position works and have received specific guidance to what this job entails from its current position holder. I am ready to accept this position and its requirements.

Thankyou for your consideration,
