HELP GIVE THE LARGEST NUMBER OF 12U BASEBALL PLAYERS IN MEDLOCK PARK'S HISTORY THIS SAME EXPERIENCE OF A LIFETIME!

This summer, Druid Hills Youth Sports will send three teams of 12U baseball players on a once in a lifetime trip to play a tournament in Cooperstown, NY or Myrtle Beach, SC. Anticipation of this experience builds from the early years of Rookie League on Field 8 all the way to Majors on Field 1. Excitingly, DHYS now has more all-star teams than ever in the history of our park with 2-3 teams at every age level from 6U through 12U!

This epic experience will give our young players the opportunity to compete against other teams from across the country at a world class Cooperstown or Ripken baseball facility. Players will have a fully immersive experience, befriending other players from across the country and staying with teammates during the week-long tournament. Entry fees for these 3 tournaments will be offset by a fundraising campaign to allow every player who is selected to attend.

Please join us in supporting these young athletes with a special experience to mark their journey across the fields of Medlock Park and reward their hard work and dedication. Your donation helps send these players on an adventure that will undoubtedly be the highlight of their little league baseball "career." Thank you for your support!
