Huntington Beach Youth Lacrosse Club is trying to raise funds to not only help grow the sport in the local area, but also sponsor kids who can't afford the expenses of the game. We need your support to help raise these funds for kids who can't afford to put a stick in their own hands. When it comes to a thought of asking for help, we lean on successful business owners such as yourselves. Your donation will help the program and affect athletes in their personal life. By donating to HB Bear's, the coaching staff can truly help athletes reach for their interpersonal achievements on and off the field. We pride ourselves on being a guiding hand to these young athletes in life.
