

Midland Lacrosse Board Meeting
October 4, 2022

Attendees: Jonathan Moore, Jen Pedelty, Chad Stearns, Kim Zimmer, Geoff Burr

Lots of discussion around NU for HTG on Saturday 5/13 (potentially)

Sounding promising

Asked JC about using their trainer, concession, bringing food trucks, who might be painting lines.

Waiting on a definitive cost but board is willing to pay for better facilities in one location

Jen will check to see about field use at DHS- turf and grass/soccer fields for girls.

Box Lacrosse:

Reviewed schedule for MCA indoor/box schedule

Young boys and girls practicing together- Wednesdays

Boys 7/8 Thursdays

989 Box Fridays + alum and special events

Try to avoid Thanksgiving for TRY LAX b/c Geoff won't be here

Stephanie can be present but not coach

Try LAX Free on the radar- 1 X per month Sat/Sun afternoon but waiting to work around flag football, etc. schedules,

Separate (not on agenda):

Our own facilities? Didn't pan out

Are all emails being received by board? Jonathan is getting some funky emails that make him wonder

989:

Plenty of players for the Saginaw tourney but not necessarily enough for the others but we managed.

Talk about numbers but I missed the details *there was an awful echo for me for some reason*

Made \$8000 in summer

Lost \$3000 for box last winter

Next summer we will reduce fees even more

Discussion around losing players to other teams

Chad: Is the low cost making it easy for people to be non committal?

JM: Yes, that and the a la carte option

Not going to be PLG quality bc of the availability of coaches and talent pool

Sam Luzzar? Back to coach

Maybe Cal would want to coach box?-- Chad thinks so

More talk about summer 989.

Would like to add girls, just not enough

SVSU added a girls program. Hoping for NU.

Youth a mostly from Saginaw and Bay City-

Kim is getting a spirit order together for Club, but also going to try to get some items on the menu that are Chemics and Chargers gear.

Future meeting(s):

Will continue to meet in Teams @ 8 pm

Next meeting: JEN will send out an email about the meeting Monday, November 7.
Possibly change this to Mondays from now on- Jen will send this communication to get a feel for peoples schedules.

Girls @ Boo Bash? Maybe too late for this.
Geoff says we will stick w girls box for now.
