

## CEVA CLUB DIRECTORS' UPDATES – 4/6/2023

- Current cut lines and facility assignments for Regionals can be found [on our website](#). Please keep in mind that clubs must not have any outstanding balance with the region to participate in Regionals, and all tournament entry fees must be paid in full before teams can be accepted. We strongly encourage you to double-check if you have an outstanding balance by contacting our office.
- Do you have a 16s or older player that could excel as an official? Are they interested in earning some extra cash? Have them sign up for our Junior Officials' Program! They'll get training at Regionals from some of the best officials in the country, and they could potentially work as a paid official at the Willamette Volleyball Classic. Just e-mail [juniorofficials@cevaregion.org](mailto:juniorofficials@cevaregion.org) for more information. It's a great opportunity for anybody who wants to stay involved!
- Reminder – tryout dates for next year have been set. Read about them [here](#).
