Mission Statement

Seattle FastPitch Club is a non-profit organization dedicated to the personal and athletic development of girls and young women through the sport of fastpitch softball. Beyond the formation of quality fastpitch teams, our ultimate goal is to create an atmosphere by which these girls and young women can become vital citizens and regular contributors to their communities. To this end, we sponsor and facilitate player, coaching and officiating clinics, as well as first-aid training and other related activities, all of which reflect our club's core values. We will always strive to provide the highest quality instruction and training, encouraging club members to give back to this and other youth organizations by sharing with others the skills and knowledge gained while participating in club activities. And, finally, it is our mission—and our pledge—to have as much fun as possible along the way.
