Welcome**Post-Season Review (Discussion)**

- **Regular Season**
 - **Assigner feedback and plans**
 - Overall great work, support for continuing the assigner nominees for 2021-22
- **Regional / Conference Tournaments**
 - **Mat Official Evaluations**
 - Overall the work of the mat officials was done very well. 3 coach complaints were received and addressed, but the majority of the time, the officials executed their duties as prescribed and most coaches received committee findings well.
 - **Review of Head Officials**
 - Head officials performed their duties well. A need is recognized to better prepare them for the evaluation component of higher level referees and will be developed for 2021-22.
 - **Tournament Communication**
 - Great communication from NAIA hosts, NCAA host communication could use significant improvement, but the committee recognizes the unique difficulties and shortened timeline that impacted their ability to plan.
- **Championship Tournaments**
 - **Mat Official Evaluations**
 - Excellent job by the mat officials, they performed to the level of Championship referees. We received compliments on the officiating from both the NAIA and NCAA championship events.
 - **Review of Head Officials**
 - Head officials did well in their duties and helped to organize the officials to run smooth events.
 - **Tournament Communication**
 - Communication from Coach Kemp regarding the NAIA Invitational was good leading up to and through the event. Communication from the NCAA Championships Committee needs improvement, in order to better plan and recruit officials properly to meet the level of the event.

- **New Programs**
 - At the start of the 2022-23 season there will be 87 women's college varsity programs in the NAIA, JUCO, and NCAA. The committee recognizes the tremendous effort and dedication of the coaches, USAW, Wrestle Like a Girl, and other groups/associations, and are glad to be able to support the women's wrestling movement with quality officiating.
- **Conference Additions**
 - Unknown at this time if additional NAIA conferences will be sponsoring Conference Championships for 2022. The NCAA schools are not planning on adding additional regionals at this time
- **NWCA Multi-Divisional Duals Assignment Process**
 - The committee will assume responsibility for assigning the NWCA Multi-Divisional Duals starting with the 2022 event. The committee is appreciative of the several years of work that Jason Salley (IL) has put into recruiting officials for this event.
- **Changes to implement for 21-22**
 - Overall the season ran smoothly, despite the tremendous complications that existed in 2020 and 2021. No major changes are anticipated for 2021-22.
