

POLICY FOR INTERSCHOOL COMPETITION

One of the objectives of the Saskatchewan High Schools Athletic Association as stated in its constitution is ... *“To encourage schools to adopt a varied athletic program for their students by restricting play in a school sport to the recognized school season for that sport.”*

The SHSAA, as the lead agency for interschool sport, has developed the following policy for interschool sport. The policies are intended to assist in the development of local policies for interschool sport and will be referred to as the policy of the Saskatchewan High Schools Athletic Association when questions are directed to the Association.

OPEN GYM

The following will be the basis of defining open gym as it relates to the start date policy for all SHSAA activities:

Open Gym/Field is an arrangement whereby the school's facilities are scheduled for volunteer play for all of the student body.

- The open gym is open to any student from the high school interested in attending
- There is no instruction during the open gym, whether by a coach or anyone else.
- Coaches may supervise open gyms, but they cannot instruct (written or verbal), organize drills, etc.
- There is no organized competition, such as established teams participating in round-robin competition, etc.
