House registration:

- Still about 20 spots in LTS both Sat and Sunday for Session 2 starting in January. I'll send a reminder and will keep Ramon updated on numbers and roster lists
- The shared roster file (Ramon, Adam, Aubie) is fouled up and my quick investigation didn't solve it. Numbers are double counting but list of players and contact information is okay other than one LTS day. If you're not confident that your individual distribution lists have everyone just let me know and i'm happy to queue up any communications.
- I just noticed that I haven't yet rostered MDP and House in Sports Engine. Aubie and Adam please let me know if i should do this for ease of communication and scheduling. Chris-MDP players playing in the tournament need to be rostered.

Coaching:

• Still a few coaches with CEP renewals (or initial completion) pending. Needs to be done by 12/31 or they'll be redlined and can't be at practice or on bench for games even just working a door. Impacted individuals along with Chuck and Brian T. will get the most current list tonight.

#### 5. Coach in Chief Update:

- a. There are some coaches that need to get their Level CEP accomplished before Dec 31st. Those coaches are aware of whats required (thanks to Chris's reporting) and know they can't participate after Dec 31st if their credentials are not met.
- b. Small Area Games and Skills have been well attended by U10 and 12U but attendance at the U14/U18 level has been low compared to years past. need to brainstorm ideas on restructuring teams and schedule
- c. Topic for Discussion Mite Tournaments are being managed differently than league play (1 A and 1 B team vs 2 B teams). This is not bad, just something to discuss and probably make sure parents know at the beginning of the season.

LTS Summary:

- Saturday and Sunday sessions are going well thus far. We have ample ICE coverage from parent volunteers.
- Saturday sessions have progressed a solid number of players in groups 2 (balance) and group 3 (stick&puck).
- Sunday sessions are progressing nicely as well. This is larger by volume and we're hoping to move more kids from crates into balance by the end of session 1.
- I've had a few families ask if LTS will happen during the holiday weekends of Christmas and New Year's. I'm still waiting to hear from Eric Bronson re: the remaining LTS sessions weekends for this session.

LTS Coaching Coverage:

- Saturday sessions have been covered by Coach Bryan May. Thank you! However, I'm still looking for any coach available to come and
  run any of the remaining sessions.
- Sunday sessions have been covered by Coach Peter Godbout. However, Coach Pete emailed last week to let me know last Sunday 12/3 was his last session coaching for the foreseeable future. We will need coach coverage for the remaining Sunday sessions and into Session 2. I would like to coordinate an email to our coaches to see who is available to cover. Happy to work with whomever to get the word out.

I have got good support on the ice from Dave Kilroy, Joel Stoorza, Dave Resare and Mike Velucci. Goalies are doing great and I appreciate Chuck making sure that they are offered the chance to participate in Whalers goalie training with RI Hockey Academy.
