# Benilde-St. Margaret's

## Letter from the President

Greetings and welcome to Benilde-St. Margaret's School (BSM), home of the Red Knights. We are eager for another hockey season and welcome Waconia, New Prague, and Orono to the conference. There are certainly some entertaining moments in store.

Our school's Catholic mission focuses on developing our students in mind, body, and spirit through our academic program, athletics and activities, and commitment to faithful service. It is important that each of our students is known, challenged, and supported as unique individuals. Our exceptional commitment to athletics and activities is a crucial part of that BSM experience. Opportunity, quality, faith, competition, community, and learning form the foundation of each co-curricular activity.

This winter, our boys' hockey program will be celebrating their 64th year of competition. Over the course of time the BSM boys have celebrated several trips to the Minnesota State High School Hockey Tournament along with three state championships and have become a premier program. In fact, this year we will be celebrating the first boys' hockey state title in 2001. The introduction of the Champions Cup competition with Eden Prairie, Hermantown, and Hill-Murray will also provide "can't miss" hockey.

The placement rates of our student-athletes upon graduation into collegiate hockey programs continues to rank in the top ten nationally. Many have also continued playing in the top junior hockey leagues and even some professionally.

We are certainly proud of our student-athletes, parents, alumni, staff members, and friends that have laid the foundation, showed their support, and continued to build the tradition. Enjoy the season ahead whether you are in the stands or streaming the games, cheer our Red Knights on to victory.

Dr. Adam Ehrmantraut  
President

## WARRIOR PRODUCTIONS CELEBRATES THE 10-YEAR ANNIVERSARY OF THE CLASS AA 2012 MINNESOTA STATE HIGH SCHOOL HOCKEY CHAMPIONSHIP

Ten years ago, an inspired Benilde-St. Margaret's team overcame a season of tragedy to win the Class AA state boys' hockey championship. The Red Knights triumphed with a 5-1 win over the Hill-Murray Pioneers, honoring their teammate Jack Jablonski, who suffered a serious spine injury earlier in the season.

As students chanted Jack's nickname and shook signs that said "We love Jabby," Grant Besse scored five goals to lead BSM to a dominant victory. It wasn't just the students and team's feelings for Jablonski that propelled them to win – cheers echoed through the entire State of Hockey.

This is one of many unforgettable stories and moments in Minnesota state high school hockey history that inspired our feature film, WAY OF THE WARRIORS.

# HISTORY OF RED KNIGHT HOCKEY

The Red Knight hockey program began in 1958. Like all programs across Minnesota, the team practiced and played outdoors. Benilde played its home games on a rink at the school's campus in St. Louis Park. The rink was flooded and maintained by coaches, players and managers.

The team's first coach was Gene Sack, who went onto legendary status while guiding the outstanding Rochester John Marshall teams of the 1970s. Benilde competed in the Catholic Central Lakes Conference where it won four league titles and made four trips to the Catholic State and Independent Tournaments.

In 1974, the Benilde School merged with St. Margaret's Academy and Benilde hockey soon became known as BSM hockey. The team switched soon thereafter to the Don Bosco Conference. The next several years saw only modest success as the Red Knight pucksters captured only one conference title, in 1977, and advanced to the Region V semifinals under the old one-class tournament format.

The Minnesota Conference would serve as the team's new conference home. The team's first Minnesota Conference title would end the program's title drought under its first-year head coach, Ken Pauly. The next 14 years would see the longest tenure of any of the school's head coaches. During those years, the team would win over 200 games, collect five conference titles, advance to five section championships and capture two Class A state championships. That success moved BSM into the upper echelon of the Minnesota high school hockey elite programs.

Yet another conference change occurred in 1998 when BSM joined the newly formed Metro Alliance. The team dominated conference play by winning six league titles in seven seasons. The North Suburban was the team's next conference stop in 2005. The Red Knights dominated play and won seven straight conference titles before opting to play an independent schedule. In 2006, BSM made the jump to the state's large-school division, Class AA hockey. BSM defeated the Edina Hornets at Braemar Arena in the program's first Class AA game – a fitting way to make the jump.

After a three-year absence, 2007-08 saw the return of coach Ken Pauly as the Red Knights' bench boss. His return also marked the team's return to the state tournament. The team captured the Section 6AA title

with a dramatic 3-2 overtime victory over the Minnetonka Skippers. The team went on to place third at the state tournament.

In 2012 BSM climbed high school hockey's highest mountain by winning the Class AA state championship. The Minneapolis Star Tribune called it one of the "most sentimental runs ever" as the team battled through a life-changing injury to one of its players, Jack Jablonski. Grant Besse's five goals in the state championship game, the final three of which were shorthanded, in a 5-1 win over Hill-Murray, will go down in the annals as one of high school hockey's most extraordinary performances.

The Red Knights are entering their eighth year in Metro West Conference, in which they've won or shared five conference titles. The original membership of the conference includes Bloomington Jefferson, Bloomington Kennedy, Chanhassen, Chaska and St. Louis Park. The strength of the conference continues to grow, with the addition of Waconia, New Prague and Orono, and it provides BSM with the flexibility to continue build one of the state's toughest schedules.

In 2017-18, the Red Knights captured their third Metro West title and the school's 21st conference championship in boy's hockey but, after earning the state's top ranking for 10 consecutive weeks and going undefeated in the regular season in 2015-16, BSM lost a large senior class and fell below .500 in 2016-17, the first season under that mark in 15 years.

The Red Knights return to prominence came in 2018-19 when they won 20 games, finished the season with a top-10 ranking and reached the section championship game before falling to eventual state champion Edina. The success has continued as BSM has reached the Section 6AA championship game in each of the last three seasons.

The program's winning tradition is built on the foundational principles of the Christian Faith and service to the larger community and to each other. These core themes, coupled with a commitment to excellence, define the hockey experience at BSM. They have been the foundation of the teams of the past. They will continue to shape the teams of the future and the history of Red Knight hockey going forward.

The 2012 Mariucci Award winner, as the state's Class AA coach of the year, Pauly has 33 years of high school hockey coaching under his belt,

including 30 seasons at BSM.

A Red Knight assistant coach for three years, Pauly took over the reins of the Red Knights in 1990 and began building one of the elite programs in the state, leading the team to Class A state titles in 1999 and 2001.

Pauly was the Red Knights' head coach for 14 years before taking over at Minnetonka in 2004. He stayed on with the Skippers for three seasons before returning to BSM for the 2007-08 season.

Upon returning to BSM, he took the team to its first Class AA state tournament, claiming third-place honors in 2008, and won the program's first AA title in 2012.

During his 28 years as the Red Knights' bench boss, Pauly has amassed three state titles, 15 conference championships and has compiled a 481-231-27 record, making him the winningest coach in the program's 61-year history.

From 2004 to 2007 he was the head coach at Minnetonka, where his Skippers won the 2006 Classic Lake Conference title and advanced to Class AA state tournament for just the second time in the school's history, and its fourth state tournament appearance overall, claiming the consolation title.

He was named the Section 6AA coach of the year for his efforts and was also named Minnetonka High School's 2006 Coach of the Year.

In his 31 years as a head coach, Pauly has put together a 525-262-34 record. He ranks 14th in career victories among Minnesota coaches and third among active coaches. He passed Gene Sack, who coached the first

Benilde hockey team in 1958-59, during the 2015-16 campaign on the state's all-time wins list.

His 300th career win came at the St. Louis Park Rec Center, Jan. 8, 2009, when the Red Knights defeated St. Louis Park, 4-1. His 300th win at BSM came Jan. 29, 2011, as the Red Knights defeated Holy Angels, 8-6.

Pauly became the 19th coach in state history to record 400 career victories on Nov. 29, 2013, when BSM knocked off Duluth Denfeld, 7-2.

He won his 400th career game as the Red Knights' head coach when Peter Heimbold scored with three minutes, 22 seconds to play in regulation and Cade Gleekel scored with 24 seconds remaining in overtime to give BSM a 2-1 win at 16th-ranked Farmington.

On Jan. 16, 2020, Pauly became the 14th coach in state history to record 500 career victories when the Red Knights posted a 6-3 win at Bloomington Jefferson.

Pauly has also worked with USA hockey's development program, where he served on the Regional 16- and 17-year-old staffs at the Olympic Training Centers in Marquette, Mich., St. Cloud, Minn., and Lake Placid, N.Y.

In 2009, Pauly won his second Minnesota Wild 3M Excellence in Coaching Award, an honor he also received in 2007 while coaching Minnetonka.

A lifetime member of the Minnesota Hockey Coaches Association, he served over 10 years on the MHCA's Executive Board; three of those as President. Coach Pauly currently sits on the Herb Brooks Foundation's Board of Directors.

Pauly teaches full time in BSM's social studies department and serves as chair of that department. An award winning teacher, he earned the school's Faculty of the Year Award in 2012 and the Red Knight Leadership Award in 2015. He was chosen as BSM's commencement speaker in 1997 and in 2018, he received his 20 Years of Service honor as a faculty member.

Pauly earned a bachelor of art's degree in history from the University of Minnesota in 1989. He and his wife, Anne Marie Dominguez, an English teacher at BSM, reside in Plymouth. They have two children; Caroline, 21, who attends the University of Wisconsin, and A.J., 18, a senior who plays for the BSM hockey program.

The 2020-21 almost didn't happen.

When spring sports were canceled in Minnesota in 2020, little did anyone realize that high school hockey would be staring at the same prospect in November later that year.

November and December came and went without one high school game being played due to COVID restrictions by the Minnesota Department of Health.

It would be a year when just getting to play became the goal. That goal was finally realized when the Red Knights played their season opener on January 14th and skated to a 7-2 victory over St. Michael. The team would rattle off ten straight wins on its way to a conference title. But trouble was on the horizon.

The wins did not come as quickly when the schedule became more difficult. The Red Knights were supposed to be one of the state's best — but the team's play suggested otherwise.

BSM continued moving forward. Team play improved, and the boys found a way to win great section games against Blake and Cretin. But for the third consecutive year, the team was left at the threshold of the state tournament, losing to Wayzata in the section final by just one goal.

In a season where just playing felt like winning, it is no surprise that losing is still painful when the 2020-21 season came to its unfortunate conclusion.

Sadly, there were not many winners in 2020-21. While BSM would have loved to have counted themselves among the teams that made it to the state tournament, we all missed that iconic event in a packed stadium in St. Paul. Additional casualties of COVID were the road trips, moments in the locker room, loud arenas, school spirit, team meals, missed games, rituals, and traditions.

Thankfully, the Red Knights Hockey families led the efforts to salvage the season and maintain community. Together, we rescued meaningful pieces of high school hockey. Yes, we were "all in this together," suffering and celebrating together.
