 - Sessions ran with students from ages 5-12
 - This year the school now has a PE specialist, Lindsey Curtis, and we have been working with her and training her in the delivery of sessions during our visits. We will be sharing some of our sessions with her to allow her to continue implementing successful soccer sessions until we return.
 - We worked very closely with the Principal, Karen Gorringer, in helping her to purchase 8 high quality soccer goals for her school and students to use during school which is building up the sport within her school’s community. This included researching products, pricing, assembly, installation and maintenance.
 - On Sept. 4, 2018, we hosted a motivational assembly for the school where we brought in Professional EPL player, James Milner, to speak with the students, teachers and faculty about what it takes to be successful, persevere and attack life with grit and determination.
 - On Sept. 20, 2018, we attended the school’s Family Fall Festival evening event where we hosted their outdoor activity by conducting a soccer clinic for all the students, siblings and parents in attendance (some parents actually participated in the sessions) 😊. We ran a total of fourteen 20 min sessions for the event.
 - On Oct. 12, 2018, we were able to assist the school to successfully execute an emergency evacuation drill to our Indoor Facility.
 - Through this great Relationship/Partnership with the school the Academy is providing our Indoor Facility as an emergency evacuation site for Terra Linda.

- On Oct. 31, 2018, we ran a session for the school as part of their feature for Fox 13's 'Cool School of the Week' event. The Principal, Karen, asked us to be a part of this as she believes we are a big part of what makes her school 'Cool'.
 - On March 7, 2019, 7 Elite Academy attended, in show of support and partnership with the school, the Launch of RSL's Scoring for Schools program at Terra Linda.
- **Eastlake Elementary – South Jordan**
 - 1,000 students
 - 8 Full-Day during school visits to allow us to work with every class, student and teacher.
 - Visits in February 2019
 - Sessions ran with students from ages 5-13
