

General Rules and Information - Girls Festival

Each team will be required to check in with the tournament director before your first game at the Tournament Desk. Schedules are tight. Locker rooms will be available and it is your team's responsibility to be ready to take the ice at the start of your game time. You will not be able to store bags in the locker room. If locker rooms are locked, locker room keys can be claimed at the Skating Window in the lobby of each rink ahead of your game.

All teams and parents are expected to treat our host facility, its personnel, our volunteers, and officials with the utmost respect. Any damage resulting from your actions or your teams' action will be charged back to your home association.

Remember this is a volunteer organization. We appreciate your support!

This is a USA Hockey sanctioned Tournament using USA Hockey rules.

- **Game Time:**
 - Teams should be ready to enter the ice surface for the warm-up period up to fifteen minutes prior to the scheduled start time.

- **Faceoffs, Puck Control, and Stop of Play**
 - Face-offs will occur only at the beginning of each period
 - When play is stopped due to the goalie controlling the puck, a whistle will signal the attacking players to vacate the zone. Once all the attackers have exited the zone, the players may re-enter to resume play when the opposing team advances the puck. They may not challenge the opposition until they have all exited the zone.
 - **Shifts**
 - i. Player shifts will be two (2) minutes in length. A buzzer will sound to signal the end of each shift.
 - ii. Bench doors MUST remain closed until the sound of the buzzer.
 - iii. Once the buzzer sounds, players must relinquish control of the puck immediately and vacate the ice.
 - iv. The new players may enter onto the ice surface immediately. Players should not double shift unless the team has less than 8 skaters. In that case, the skater should tag the bench before returning to the ice.
 - 1. If team has 8 or more skaters and a double shift occurs, the referee should give the team a verbal warning.
 - 2. If double shift occurs again, the referee will award a penalty shot to the opposing team. Penalty shot will occur at the end of regulation.
 - v. Refs will maintain control of the puck at shift changes so as to prevent any goals scored directly off the bench or by a player remaining on the ice during shift change.
 - 1. Referees should either maintain control of puck OR place (kick, toss, etc.) puck in neutral zone during line changes so that no team has an advantage during shift changes.

- **Zero Tolerance** – Referees will be instructed to *strictly enforce zero tolerance rules*. The committee reserves the right to remove from the arena players, coaches or spectators who violate USA Hockey zero tolerance policies.
- **Protests** – No protests will be allowed.
- **Game Points**- Teams will be awarded points in round-robin play according to the following:

 - b. One (1) point for a tie
 - c. Zero (0) points for a loss
- **Tie Games/Tie Breaking Procedure**
 - There are no overtime games in round-robin/seeding games or in consolation games. If tied at the end of regulation, each team will receive one (1) point for a tie.
 - If a quarter-final, semi-final or championship game ends in a tie, the following tie-breaking procedure will be followed:
 - i. 5-minute sudden death overtime period (4 on 4, plus goalies)
 - ii. Shootout (3 players/team – each player may only shoot once) most goals win.
 - iii. If shootout ends in a tie, sudden-death shootout until winner is decided (each team must continue through their roster until all players have taken a shot. If the shootout is not decided, players will continue to shoot in the same order as their first shots.)

TOURNAMENT STANDINGS

Standings will be compiled by the tournament director and staff and posted on the tournament website.

After seeding games, teams will be ranked within their division by the total number of points obtained through the seeding games. In the event of a tie, final standings will be determined by the following criteria:

1. Head-to-head competition – With 3 or more teams tied, all teams must have played each other and there must be an obvious winner. If not, we skip Head-to-Head and go to Most Wins.
2. Most wins
3. Goal differential (5 goal maximum differential for a single game)
4. Fewest goals against
5. Most goals for
6. Fewest penalty minutes
7. Quickest goal scored

The tournament director and the tournament committee are designated the governing body over this tournament and have the final discretion in all matters.
