Attendance: Neil Huewe, Kurt Knott, Tony Manaussau, Mike Johnson, Pete Stahnke, Bob Brink, Andy Haskell, Jenn Nelson

Fall Pre-Season Plan – There was discussion on what to do with Fall Ice with BCA now having ice. We will be doing five weeks of ice starting the last week in August Sunday through Thursday nights for all ages. A schedule will be developed and initial fee is about \$125 to \$150 per player.

Junior Gold Program – There was discussion of Junior Gold Program with more cuts this year at high school due to numbers. HDC is in support of Junior Gold Program. It would work to do a couple practices late night a week but would need an active coach to schedule and plan which has been challenge of the past. Board to consider for upcoming season.

Hockey Camp Needs – There was discussion to coaching needs for the upcoming camps. HDC will get word out to coaches to see about interest in volunteering to help out.

Respectfully submitted: Corey Rupp
