

# Vocational-Technical, Magnet, & Charter Schools Cyber and Home School

## School District Letter Requirement (Samples)

### 2023-24 Season

## Eligibility - Vocational-Technical, Magnet or Charter School

---

Eligibility: A student attending a Vocational-Technical, Magnet or Charter School that has no hockey program, may play for their home-based school. If the Vocational-Technical, Magnet or Charter School has a hockey program then he/she must play for the school that the player physically attends

## Approval

---

**Deadline:** Prior to participation in any type of team activity

**Who:** Players need to have letter approved by PIHL League Rule Interpreter

**What:** Each player will need a letter on school letterhead

**When:** This must be completed annually

In either case, documentation shall be submitted, in writing, to the League Rules Interpreter [rules@pihlhockey.com](mailto:rules@pihlhockey.com) to ensure no conflict with these playing rules exists. When a conflict does exist, these playing rules always supersede. A letter from the student's school district, on school letterhead from either the principal or athletic director, shall be submitted confirming his/her attendance at the vocational-technical, magnet or charter school and stating what school is considered his "home-based" school. The student shall not participate within the PIHL until approval has been received from the league each season
