

### **DYBA: SUSPECTED OR CONFIRMED CASE OF COVID-19 PROTOCOL: PHASE 3**

- If a player, coach, or other person present displays symptoms of COVID-19 while at practice, they will be isolated immediately. If a player, the player's family will be notified to come and pick up their player. Players will remain in isolation under the care of a present coach or other adult until your arrival.
- If a player, coach, or other person present does contract COVID-19, they should remain isolated at home for a minimum of 14 days after symptom onset and can be released after fever free and feeling well (without fever-reducing medication) for at least 72 hours OR has 2 negative COVID-19 tests in a row, with testing done at least 24 hours apart.
- The rest of the team's families will be notified of a positive test result immediately. Those players, coaches, or persons present should then
  - Stay home until 14 days after their last exposure.
  - Check their temperature twice a day and watch for symptoms of COVID19
