

BC Fire Soccer Club | Frequently Asked Questions

Program:	BC Fire Futsal
Author:	Eieri Jordan-Salivia, Technical Director
Last Update:	October 31, 2024

- **Can I sign up if I don't belong to BC Fire?**
 - Absolutely! Our Futsal program is meant for any player. We will not require you to play for BC Fire or recruit you to play for our club. We teach you what we know, you go perform where you feel "at home".
- **Can I pay per session rather than for the whole program?**
 - Unfortunately, unless a program specifically gives the option of "drop-in" pay per session, we do not accept sporadic attendance. Our programs are built to achieve goals and objectives within the designed timeline. Without regular attendance, it's difficult to achieve results. If you desire to "test" or "tryout" a session to see if what we offer is for you, please contact our Technical Director, Eieri Jordan-Salivia. E-Mail: technicaldirector@bcfiresoccer.onmicrosoft.com
- **Do you have a reimbursement policy on your programs?**
 - Great question, we do. **We offer** full registration refund if reimbursement is requested 2 weeks (14 days) prior to the start date of the program. **We do not offer** full nor partial reimbursement for requests within 13 days of the start date of any of our Futsal programs. **We do not offer** full nor partial reimbursement if a player misses training sessions and/or gets injured during the duration of a program. For reimbursement requests, please email Technical Director, Eieri Jordan-Salivia at technicaldirector@bcfiresoccer.onmicrosoft.com
- **Do you offer Futsal year-round?**
 - We do! Starting 2025, we will offer multiple programs throughout the year utilizing Futsal as the vehicle to develop player skills and our club style of play. Stay tuned for announcements and bookmark our site and/or US Youth Futsal page for more information: [BC Fire Futsal](#)
- **I would like to play for BC Fire, how can I join?**
 - We love your enthusiasm and we appreciate your desire to be part of the next generation of BC Fire players! If you are truly interested in joining one of our teams in the future we would like to hear from you, but please know we respect recruiting and poaching policies ([MSYSA Rule 3.7, Page 11](#)) designed to protect players and clubs across the state. We will not recruit you out of your current club, and we would be more than happy to inform you of appropriate ways and dates to 'shop' for a new team to call home. Please contact our Technical Director, Eieri Jordan-Salivia for more information regarding playing opportunities for BC Fire youth teams at technicaldirector@bcfiresoccer.onmicrosoft.com
