

EYHA Newbees Program Information (2023-2024):

- The NewBee program is intended for players ages 4-7. (Must be 4 BY October 1). This program is COED.
- The NewBee program runs on Saturday mornings, October through February. Ice times typically start around 8:30 AM.
- Many NewBees are first time or beginning skaters. There are 'skate trainers' at the rink that are used to assist those new skaters if needed.
- NewBees are divided into several groups or "teams" based on relative ability. This allows young skaters the opportunity to learn and improve most effectively.
- Children that are 4 years old and unable to stand / skate independently are encouraged to have a parent / guardian on the ice with them (All parents must complete SafeSport, USA Hockey background check and wear a helmet on the ice).
- Cost is \$200 (includes team jersey).

EYHA House Program Information (2023-2024):

- The EYHA House Program is a COED recreational ice hockey program. It is intended for players ages 5+ with some hockey experience. New players age 7+ are also welcome.
- Goals of this program include an emphasis on PARTICIPATION, having FUN, learning HOCKEY SKILLS and SPORTSMANSHIP in a team atmosphere.
- In general the House program meets at least once on weekends (Saturday and/or Sunday) at varied times from 6:30 AM to 10:00 AM. Later in the season there may be opportunities to play games against other local organizations. The season runs from October through February.
- 8U HOUSE players also have the opportunity to participate in 1 tournament hosted by EYHA. The EYHA Yamboree is held at the Essex Rink on the Fri/Sat after Thanksgiving.
- Cost is \$300 (includes team jersey).

NOTE:

- **Any adult wishing to volunteer or coach will be required to complete a coaching application, SafeSport certification and USA Hockey background check BEFORE stepping on the ice.**
- **Any Vermont resident is eligible to play for EYHA.**
