

# Lapeer County Hockey Association

April 15, 2019

LCHA Families,

Good morning All,

Here is the latest information for the LCHA...

We have secured ice for the House teams at Crystal Field House for the remainder of the spring season. See the attached link below and click on the LCHA Storm tab for schedule information.  
<https://www.crystalfh.com/>

We did our best to keep the times and days as close to the original schedule as we could. If you have questions or conflicts, please notify the respective coaches.

The Storm Travel Teams have secured ice as well.

The Executive Board of the LCHA will be meeting with their counterparts from the GFHA early next week to discuss how sharing the same home may impact both organizations. We will continue to operate as the LCHA as we allow the dust to settle and things get back to normal.

Sincerely,

Scott Burny

President, LCHA
