*** One year to go! That's it! That's how much longer Noblesville Girls Softball has until they lose their home. As you may know the fields that have housed our league for 20 years is being re-acquired by the cemetery. If we do not find new land to rebuild, Noblesville Girls Softball will be forced to dissolve. If you are a landowner in Noblesville, or know someone that is, this is where you can join the efforts to help SAVE NOBLESVILLE SOFTBALL. We are looking for approximately 20 to 25 acres in Noblesville where we can rebuild our program for girls age 4 through 18. If you would be willing to consider a land donation or lease, we would forever be grateful. I'm sure you will have questions about this and what this would look like for you and we are happy to connect you with a Realtor, Tax Advisor, Architect or Contractor we are working with for more information. Thank you for your consideration.***
