Who we are:

Durango Winter Sports Club (DWSC) is home to the Alpine, Freestyle and Freeride ski teams as well as Gromlins, our competition development program, and our Snowboard team. Each team is committed to providing quality training for athletes who are dedicated to pursuing excellence in winter sports and in life through sportsmanship, friendship, and personal achievement. Formerly Durango Winter Sports Foundation and Purgatory Ski Team, DWSC carries on the legacy of organized youth ski and board programs in Durango.

As a Colorado 501(c)(3)- EIN: 84-1466141, DWSC was set up with the aim of increasing accessibility to winter sports and providing opportunities to pursue excellence in the various competitive ski and snowboard disciplines. To achieve accessibility, DWSC seeks to keep programming fees affordable and to provide scholarships to athletes. In pursuing excellent programming, DWSC seeks to support the heart of our programs, the team directors and coaching staff, by providing coach training and advancement, in addition to funding infrastructure improvements, equipment purchases, and continued program development. Donations and sponsorships are critical to achieving these aims.

DWSC By the Numbers:

Approximately **15% of our operating budget comes from sponsorships and donations and events.** Not only do these funds support scholarships for athletes in financial need, these funds also reduce the tuition costs for all athletes by approximately 10%. The DWSC operates with **thousands of parent and supporter volunteer hours annually, including those provided by the BOD that performs key functions for the club.** The paid administrators are our four team directors, who spend a portion of their time on administrative duties with the rest as direct, on-snow coaching most winter weekends and evenings, as well as our part-time club administrator. **Sponsor and donor dollars go directly to support programming** which includes coaching staff, insurances, travel expenses, location fees, SportsEngine (our website and team management platform), related program expenses, and equipment, with minimal expenses on fundraising and marketing. Supporting DWSC is a win - you're supporting a community driven club that provides opportunities for our youth to pursue excellence in winter sports here in Southwest Colorado.

Please contact our Fundraising Committee to discuss interest:
