WELCOME MESSAGE

Dear Athletes,

As we gear up for the 19th edition of the ISUZU IRONMAN African Championship, I extend a warm welcome to each and everyone of you.

This year's race promises to be an unforgettable experience, set against the backdrop of the stunning Summerstrand beachfront.

Your journey begins at Hobie Beach, with the ROKA swim course, from there, the Bike Course will lead you through picturesque landscapes of, Walmer, Mount Pleasant, and the breathtaking turnaround point at Maitland's, returning to Summerstrand via coastal road of Marine Drive.

Finally, the Run Course will take you along the scenic stretch of the Humewood and Summerstrand beachfronts, offering you the perfect conclusion to your IRONMAN journey.

I encourage you to embrace everything, the atmosphere, scenery and the camaraderie among fellow athletes. As you enter the final stages of your preparation, remember to stay focused, stay determined, and above all, stay safe. Your hard work and perseverance will undoubtedly pay off as you cross the finish line and celebrate your incredible achievement.

On behalf of the IRONMAN South Africa team, we wish you the best of luck and an amazing day out there!

All of the best!

**Your Race Director,
Michele Bronkhorst**

HEAD REFEREE'S MESSAGE

WILLIAM WALTON

IRONMAN South Africa
Head of referee

So that you understand the rules on race day, please take the time to read and understand the rules in the Athlete Guide and the 2024 IRONMAN Rules.

	Blue Card 1 blue card: five-minute time penalty 2 blue cards: another five-minute time penalty 3 blue cards : DSQ Penalty to be performed in the dedicated tent <i>e.g. Drafting or littering</i>
	Yellow Card 60 second Stop and Go time penalty served next to the referee tent <i>e.g. Blocking the progress of other athletes</i>
	Red Card Disqualification (DSQ) <i>e.g. Non-compliant material or equipment</i>

THREE BLUE CARD VIOLATIONS WILL
RESULT IN RACE DISQUALIFICATION

REMINDER OF PENALTIES

BLUE CARD

The athlete will be disqualified if he receives three BLUE CARD penalties.

DRAFTING and LITTERING are the only violations that will result in a BLUE CARD violation and an athlete will incur a time penalty (*to be served in the penalty tent, located on the bike course at the turnaround KM 38, KM 127 and at the entrance of the transition*).

YELLOW CARD

YELLOW CARD violations (stop and go penalty) require an athlete to stop 60 seconds in the penalty tent (*BIKE*) or to stop next to the referee during 60 seconds (*RUN*). IRONMAN Competition Rules still allow an athlete to be disqualified for repeated rule violations should an athlete receive excessive YELLOW CARD violations.

RED CARD

An athlete receiving a red card will be immediately disqualified.

Triathlon is an individual event, and it is your responsibility to fully understand the rules and avoid penalties. The referee's ruling is final in the case of judgement call violations, and there are no protests or appeals.

Please treat other athletes, all volunteers, and your referees with courtesy and consideration. Not doing so is UNSPORTSMANLIKE CONDUCT and may result in disqualification. I sincerely hope you have a great race and achieve all your goals.

All the rules can be found in the IRONMAN 2024 regulations and the particularities of the race in this athlete guide.

IMPORTANT MEDICAL & HEALTH INFO

- Your safety is our primary concern. The medical team will be staffing the medical facilities at the Main Medical tent in the Athlete Village & in the Transition Medical Tent. Medical resources will also be available while you are out on course. Gardmed Ambulance services will have paramedics roving out on course, throughout the swim, bike and run portion of your race, as well as in the Transition & post-race areas.
- If you are not feeling well on race morning, we strongly advise you not to start the event. If you decide to not start the event, you must inform a race official so we can officially withdraw you from the event.
- If you start to feel unwell at any point during race day, we urge to seek help rather than continue.
- **Helping another athlete:** if a fellow athlete needs help, please use the same steps listed above to get the athlete medical assistance. You will not be disqualified or receive a penalty for assisting a fellow athlete in medical need. On the bike and run course, make sure to provide the bib number of the athlete in need of help.
- **After you have finished the race:** please do not leave the post-race area until you are able to drink without vomiting, stand without dizziness and feel okay. If you are not feeling well, please come to the event medical tent to be evaluated by the medical team before leaving the recovery area.

DO NOT BE AFRAID TO ASK FOR HELP

You will not receive a penalty or be disqualified for receiving a medical evaluation.

If at any time during the race you experience chest pain or discomfort, shortness of breath, light-headedness (*dizziness*), numbness around the mouth or in hands, difficulty concentrating, or stop sweating please stop immediately and seek medical attention. A medical evaluation does not constitute outside assistance. **You will not receive a penalty or be disqualified for receiving a medical evaluation, or for having someone help you in getting medical assistance.**

- **During the swim:** raise and wave your hand, which will alert the water safety team that you need help. If able to, you can also verbalize you are in need of help by yelling "help." You can also grab onto a kayak, paddle board or nearby boat. You will not be disqualified for grabbing onto any of these safety items during the race.
- **During the bike:** If you are at an aid station, let someone know you are in need of medical help. If you are not at or near an aid station – STOP – let someone know you need medical help. Anyone can help - another athlete, a volunteer, a staff vehicle, event support vehicle or event moto out on course; even a spectator. Have them alert the nearest aid station or staff member that you need medical assistance. Make sure you provide your bib number to initiate your care.
- **During the run:** same as the bike. If you are at an aid station, let someone know you are in need of medical help. If you are not at or near an aid station – STOP – let someone know you need medical help. Anyone can help - another athlete, a volunteer, a staff vehicle, event support vehicle or event moto out on course; even a spectator. Please visit our [Athlete Smart web page](#) for more information regarding your health pre-race and during competition.

MEDICAL INFORMATION

If you have a known medical condition, we highly advise that you take the following steps:

Please stop by the "Help Desk" at Athlete Check-In to get a special race day wristband on which you should write the details of your medical condition(s).

Please also write the details of your medical condition(s) on the back of your athlete bib, which you will receive in your race packet.

The medical information that is placed on your wristband and athlete bib will provide medical staff or emergency services with essential information.

If you have any questions or concerns about providing medical information, please stop at the "Solutions Table."

Race day pre-event athlete medical evaluation (optional):

Saturday Assessments: 11:00 – 12:00

Sunday Assessments: 05:30 – 06:00

On race morning, athletes requiring medical evaluation on whether to race or not must be assessed by a doctor in the Hobie Beach Medical Tent. Access and entry onto the medical system must be logged as per standard race day procedure. The result of the assessment, i.e. clearance to race or non-participation advice, must also be recorded on the system. Thus, the main medical tent will be set up and ready to assess athlete from 1 hour prior to the Start of the race.

PRE-RACE INFORMATION

General Information

TRAINING

There are no official IRONMAN training sessions associated with the ISUZU IRONMAN African Championship in Nelson Mandela Bay. Below are a few notes on public spaces where athletes can train.

SWIM TRAINING:

There is no official swim training, however Hobie Beach to "6 pack" is a favourable swim route for a lot of athletes. Please ensure you swim at beaches where lifeguards are on duty, the recommended times are between 09:00 – 16:00. Be aware that the easterly winds in Port Elizabeth chop up the sea making it more dangerous, whereas westerly winds are more favourable conditions to swim in, as the sea is flattened making it safer.

(Please note no swimming will be allowed on Saturday morning at Hobie Beach whilst the ISUZU Corporate Triathlon Challenge powered by Algoa FM swim is underway).

BIKE TRAINING:

The bike training route will be from Hobie Beach, along Beach Road / Marine Drive to Schoenmakerskop, up Victoria Drive, left onto Sardinia Bay Road, right onto Heron Road, left onto Seaview Road. The turnaround will be where the road narrows, just past Bushy Park Farm. The recommended bike training time is between 08:00 – 16:00 to avoid heavy traffic going to and from work.

Please always be vigilant of mini-bus taxis along the beachfront, as they tend to stop in the road.

It is highly advised that you cycle in groups and not individually. Cycle on the left-hand side of the road, in the same direction as the traffic in your lane. The official ISUZU IRONMAN African Championship cycling stores are Wayne Pheiffer Cycles (contact details: +27 (0)41 582 2379) and Action Cycles (contact details: +27 (0)41 581 6499). You can contact these stores to find out when the various local cycling groups train and from what venues.

Please note that from 06:00 to 11:30 on Saturday, 20th April 2024 Marine Drive, from La Roche Drive to Cape Recife Rifle Range, will be CLOSED whilst the ISUZU Corporate Triathlon Challenge powered by Algoa FM is underway. No training will be allowed on this portion of road.

RUN TRAINING:

The recommended run training route is along the beachfront, from Hobie Beach to the (red-and-white) Beacon at the corner of Marine Drive and Admiralty Way, Summerstrand. Recommended run training times are between 06:00 – 17:00. Please always be alert of your surroundings.

Please note that on **Saturday 20th of April 2024** the ISUZU Corporate Triathlon Challenge powered by Algoa FM event run takes place from Hobie Beach along the pathway to Kings Beach and back.

BIKE & GEAR CHECK IN

SATURDAY, 20 April 2024 11:30 – 17:30

ORIENTATION:

Bike & Gear Check in takes place at Transition, in the Hobie Beach Car Park.

All participating athletes must check in a bike and both Bike & Run bags into Transition during this checking in time slot.

Enter via the Bike out / Bike, in the gate opposite the Finish Line chute and exit at the Swim in / Run out gate on the seaside pathway.

You will have access to these Bike & Gear Bags in Transition from 05:00 – 06:30, on Race Morning.

CHECK -IN NOTES :

Only athletes are allowed into Transition.

Bike Maintenance will be available for assistance just outside Transition.

Referees will do a bike and helmet-check on entrance into Transition, wear your helmet in line to speed up the process.

SWIM

ISUZU IRONMAN African Championship: ROKA SWIM COURSE

The ISUZU IRONMAN African Championship makes use of a rolling swim start. Athletes will swim a one lap 3.8km course in the ocean. The course is rectangular and swam in an anti-clockwise direction.

NOTE: The swim course is an ocean swim with waves on swim entry and exit. Each athlete is expected to have the ability and conditioning to complete the swim. Please ensure that you read the IRONMAN Swim Smart program: <https://www.ironman.com/swim-smart>. The swim will take athletes around buoys in an anti-clockwise direction: all red turn buoys, except the last one, are passed on your left; the last red buoy is passed on your right. The yellow buoys are "guider buoys": you can swim either side of these.

Ensure you have your official swim cap on (mandatory) and swim goggles, if required. Additional swim caps are available at the final holding area, before entering the sea at the Swim Start.

Ensure your Timing Chip is secured to your LEFT ankle. Replacement timing chips may be collected from the final holding area, before entering the sea at the Swim Start.

Cut off time

2 hours 20 min from each athlete's individual start time.

Any athlete who takes longer than 2 hour and 20 minutes to complete the swim will not be allowed to continue and will receive a DNF.

IRONMAN officials reserve the right to pull athletes off the course who exceed any established course time cut-offs.

Wetsuit rules

Wetsuits may be worn in water temperatures up to and including 76.1 degrees Fahrenheit (24.6°C). Wearing a wetsuit is prohibited when the water temperature is above 24.6°C and mandatory when the water temperature is below 16°C.

Prohibited wetsuit: De Soto Water Rover Wetsuits cannot measure more than 5 mm thick. De Soto Water Rover and Speedo Elite Triathlon wetsuits with forearm reinforcement are NOT permitted.

Swimwear policy

(non-wetsuit legal swims only)

Swimwear must be 100% textile material. Simply put, this would generally refer to suits made only from nylon or Lycra that do not have any rubberized material such as polyurethane or neoprene.

Swimwear must not cover the neck, extend past the elbow, nor extend past the knees.

Swimwear may contain a zipper. A race kit may be worn underneath swimwear.

Swim course rules

- It is forbidden for athletes to wear their bib number during the SWIM (*disqualification*),
- It is forbidden to hand over all or part of one's equipment to a third party when leaving the water,
- No fins, gloves, paddles, or flotation devices (including pull buoys) of any kind are allowed.
- Swim goggles and facemasks may be worn. Snorkels are prohibited.
- Athletes cannot stop in the flow zones of the transition area (*YELLOW card - 60 second penalty*).
- Any assistance required during the swim will result in disqualification if forward progress was made.
- IRONMAN officials and medical staff reserve the right to pull athletes off the course if deemed medically necessary.

SUMMARY OF GENERAL SWIM RULES	PENALTIES	CARD
In a non-wetsuit swim, wearing clothing covering any part of the arms below the elbow and/or clothing covering any part of the legs below knee	DSQ	
In a non-wetsuit swim, wearing swimwear that is not 100% textile material.	DSQ	
Wearing a wetsuit that measures more than 5mm thick	DSQ	
Using a snorkel	DSQ	

TRANSITION 1

Athletes may strip the top of their wetsuits down to their waists as they run up from the beach into T1. The bottom half may only be fully removed once in the Transition Change mat area. Public nudity is prohibited.

There will be 'showers' at the end of the beach run; these will be run off of water tanks using (non-drinkable) borehole water. Walk-through 'foot baths' to rinse off sea sand will be located here too.

There is a Medical Tent and Physiotherapists available inside the Transition area.

Collect your Bike Bag. Changing must take place on the mats / the benches (or in the tent, if required) and not at the bag racks area.

Ensure your timing chip is still strapped to your LEFT ankle. Should it be missing - first check in your wetsuit, and only thereafter get a new one from the timing volunteers.

Place all your swim gear including your WETSUIT into your Bike Bag; it is the athlete's responsibility to ensure ALL your equipment is placed in your bag. Tie the bag closed rehang it at the bag racks.

Ensure that your race bib number is facing backwards (either on your race belt or pinned to the back of your cycling top – we recommend the use of a race belt, as the race bib must face forward during the run.)

Ensure your helmet is on your head and the chin strap is securely fastened before handling your bike.

If your shoes are not clipped into your pedals on your bike, you MUST put them on when changing and run in your cycling shoes. Athletes will be penalised for attempting to put cycling shoes on at the Mount Line.

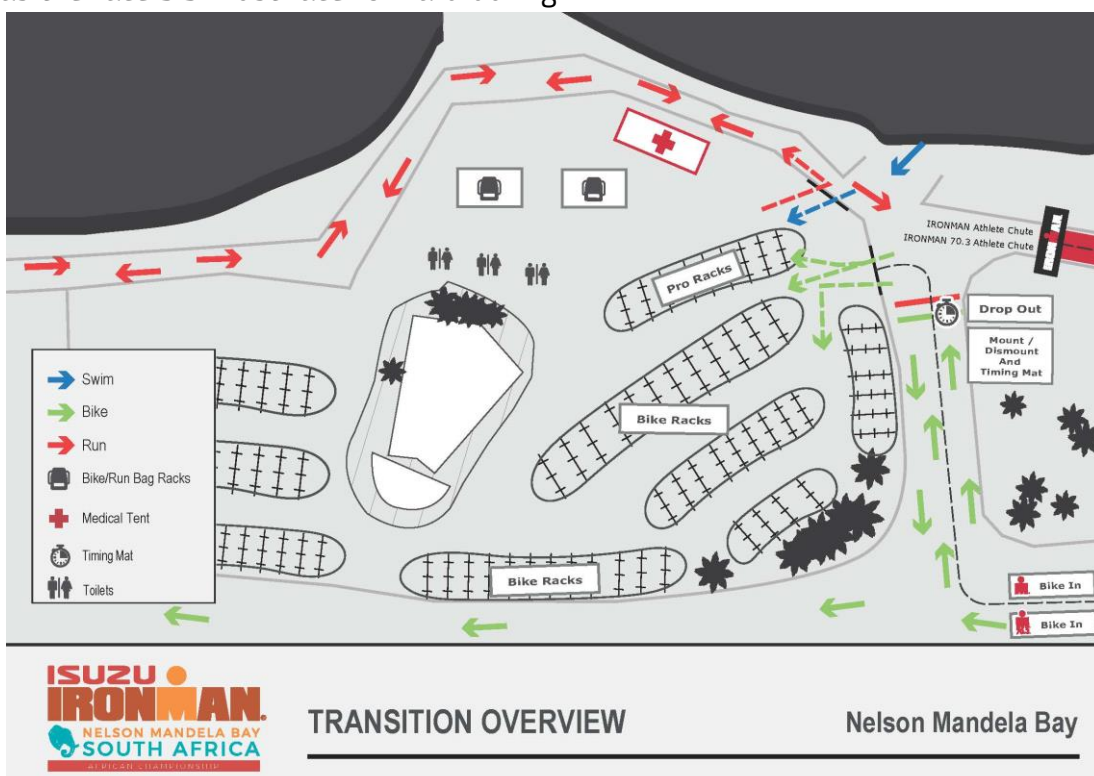

From here, PUSH your bike to the exit of Transition and over the Mount Line.

Under no circumstances may you ride your bike inside the Transition area. You may only mount your bike outside Transition at the Mount/Dismount line, as instructed by the Race Referee.

A Bike Maintenance Mechanic will remain at the exit of Transition until the last athlete has left on the bike course.

Transition will close 10 minutes after the last athlete entered from the swim course. All athletes in Transition must leave for the bike course within this timeframe.

The time spent in Transition is included in your total race time.

Athletes must either run into Transition wearing their cycling shoes or leave them clipped on their bike. You may not take your cycling shoes off your feet and clip them onto your bike once you have dismounted.

Athletes will self-rack their bikes according to their race numbers.

Follow the demarcated route through Transition to collect your Run Bag. Changing may only take place on the change mat / tent area.

Place all your bike gear into your Run Bag. It is the athlete's responsibility to ensure ALL your equipment is placed in your bag.

Tie the bag closed and re-hang your bag at the bike racks.

During the run, athletes race bib number must face forward. This is important, not only for identification purposes but also for race photos on the run leg.

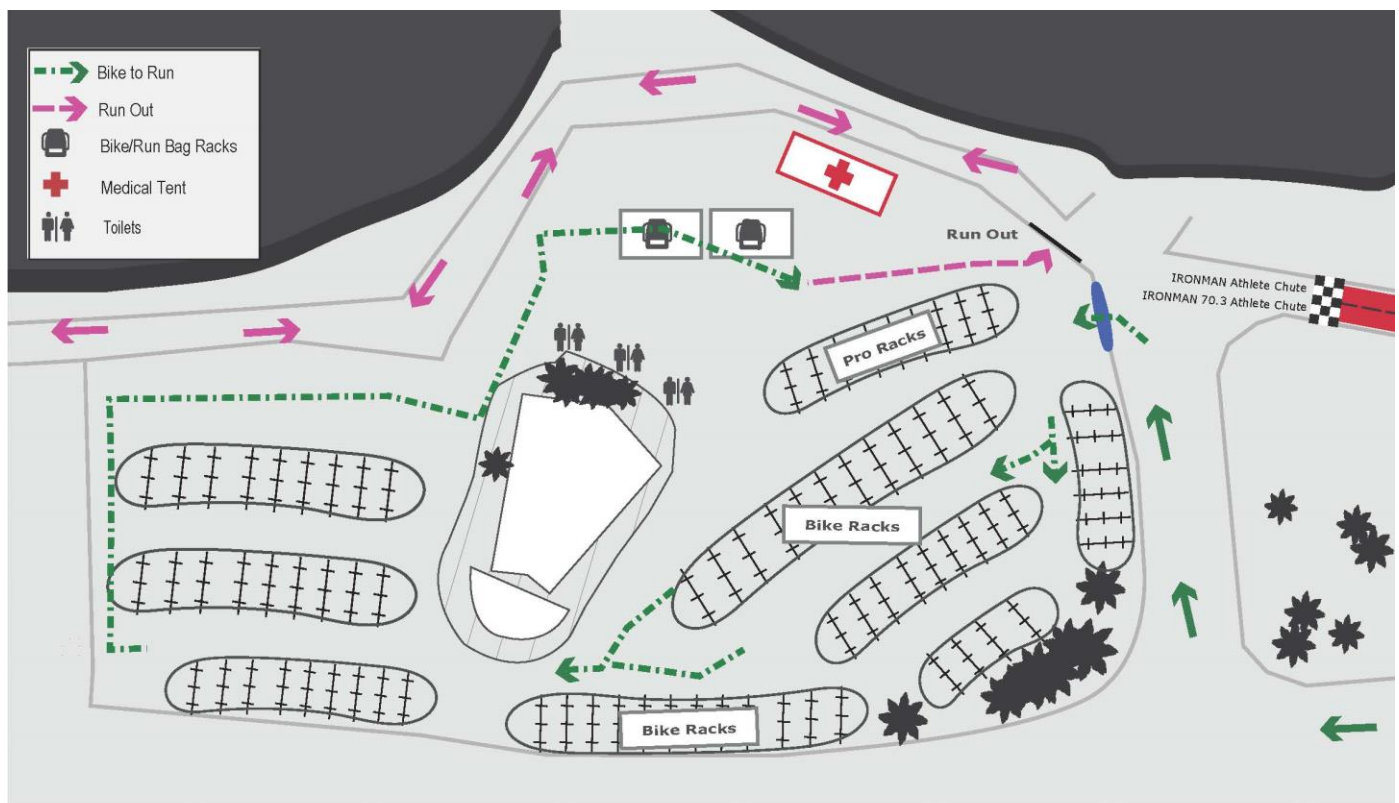

Check that your timing chip is still in place on your left ankle. If necessary, additional Timing Chips can be collected from the "Drop-Out Clerk" gazebo just outside Transition.

Medical facilities are available to athletes just inside the Transition area at the change mats.

Continue through the demarcated route in Transition to exit to the run course.

Transition will close to all athletes 10 minutes after the last athlete has entered from the bike to change for the run.

Your transition time is included in your TOTAL race time.

We're in this together

As Official Sports Performance Nutrition of the IRONMAN Global Series, Maurten Gels and Solids will be available on-course on race day. You won't fuel short.

RUN

Course

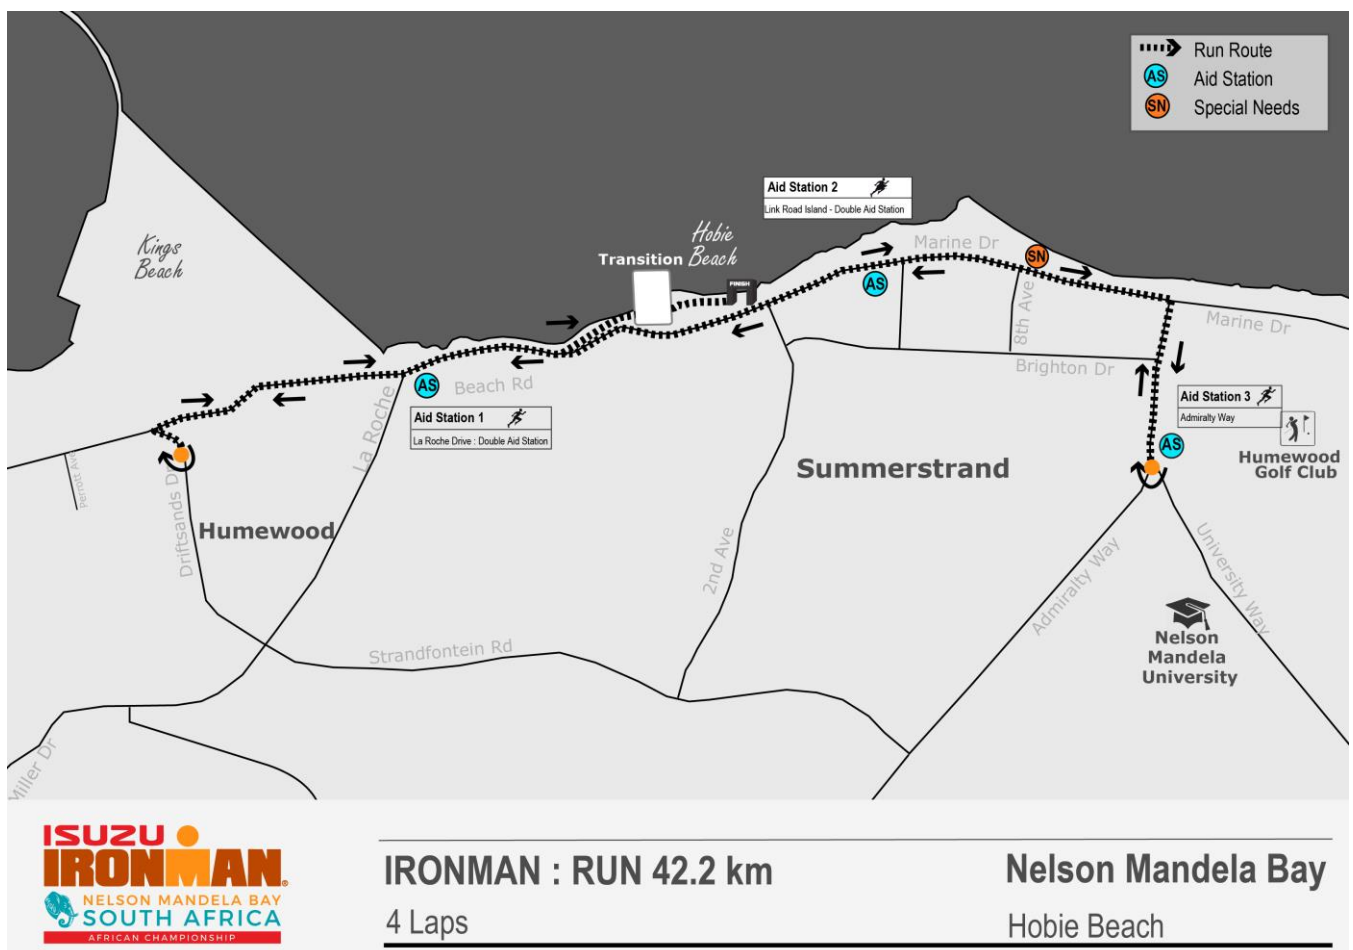

When exiting Transition, athletes will run around the outside perimeter of Transition, along the pedestrian pathway towards Humewood, taking on the new IRONMAN bridge section along the beach and through the iconic Happy Valley entrance, turning left onto Marine Drive in the direction of Humeral, running on the landside lane, keeping left.

Continuing along the beachfront roads of Marine Drive, past Kings Beach, you will turn left into Driftsands Drive where you will find your first turning point, remembering to always keep left of the running lane.

It is important to note that along the beachfront sections of Marine Drive, runners will be sharing the dual carriage way with cyclists, running on the left and cycling on the right. At the far end of the run course, through the suburb Summerstrand you will turn right into Admiralty Way, making your way towards the second turnaround point around the small traffic island of University Way, the entrance to the Nelson Mandela Bay University.

Returning along the same route to start your next lap, lap bands will be issued at the centre aid station along the beachfront road of Marine Drive.

Once you have completed the 42.2km course, you will return to the entrance of the iconic Happy Valley, run the IRONMAN beach bridge one final time and follow the spectator lined pedestrian path to the magic red carpet of the Finish Line at Hobie Beach.

WORLD CHAMPIONSHIP

How does the Age Group Slot Allocation Work?

“Age Group” refers to a grouping of athlete peers based on their gender and age range. For example, ‘Male 25-29’ is one Age Group, and ‘Female 25-29’ is another. Your Age Group is determined by your age as of December 31st of the year of the event. For example, if you are Male and turn 25 in 2024, then your Age Group Category for any race in 2024 is M25 – 29.

The Slot Allocation Process: The following Slot Allocation Process will be conducted for each gender separately:

Before Race Day

Each Age Group with registered athletes is tentatively allocated one slot each (an “Initially Allocated Slot”). All other slots available for the race (the “Proportionally Allocated Slots”) are not allocated until race day.

On Race Day

If there are no starters in an Age Group, then that Age Group’s Initially Allocated Slot is removed and pooled with the Proportionally Allocated Slot

The Proportionally Allocated Slots are then distributed among all Age Groups based on the number of starters in each Age Group. This allocation is based on the ratio of athletes in each Age Group within the gender, i.e., the more athletes in an Age Group, the more slot allocations they receive.

After the Race

Before Roll Down

If there are no finishers in an Age Group that had one or more starters, then the Initially Allocated Slot for that Age Group is re-allocated, within the same gender, to the Age Group with the highest ratio of starters to slots

During Roll Down

If any slot allocated to an Age Group is unclaimed (after Roll Down for that Age Group is completed), then that unclaimed slot is re-allocated, within the same gender, to the Age Group with the highest ratio of starters to slots

Other information

Only Age Group Athletes are eligible to receive Age Group World Championship Qualifying Slots.

Athletes holding current Professional or Elite status with any World Triathlon Member National Triathlon Governing Body, WTC’s Pro Membership program or having raced as an elite athlete in any international events during the calendar year, are not eligible for Age Group Slots. Athletes may not at the time of the event, nor at the time of the World Championship event they qualified for, hold Professional or Elite status.

Any change in an athlete’s status prior to any event participation or a qualified World Championship event must be disclosed to WTC immediately. Failure of the athlete to make such disclosure will be cause for disqualification from such event and may result in sanction from WTC Events.
