

# DYBSA 2024 Baseball Evaluation Times

All times are for Sunday March 17th. Please arrive promptly at the check-in time to ensure we can get all kids evaluated as scheduled. Any delays in groups will cause delays for all groups behind you. **Please bring your volunteer check as that is required at check-in.**

Players will need their bat, glove and helmets for the evaluation. The evaluation will take roughly 30-40 minutes from the start of warm-up times if the groups are running on time.

Enter through the main high school doors and players will exit through the TAC doors.
