

STEVENS POINT BERENS-SCRIBNER POST 6 LEGION BASEBALL

**SIXERS**

## • 2023 SEASON INFORMATION •

### VOLUNTEER REQUIREMENTS

#### Required Hours

Game schedules are in and the calculation for volunteer requirements has been completed.

- 2023 Required Minimum Volunteer Credits to fulfill = 40

We ask those not doing the buyout (see below), to only secure 40 credits worth of slots per player. As we get into the season volunteer opportunities will arise and you may fulfill them.

- What happens if you are over the 40 credit requirement? At the end of the season, you will have an option to be reimbursed for your extra time.
- What happens if you are under the 40 credit requirement? At the end of the season, you may be invoiced at \$15 per credit.

#### Dibs

The 2023 Season – Sixers Volunteer Opportunities are now available on Dibs. Our first opportunities start on April 1, 2023 for SPASH's first home game. Go secure your spots now using the link below!

- Be sure you are signed into Sports Engine so the credits get applied to the Athlete you select. This way you can access credit progress.

#### Buyout Options

Buyout options are available to provide options to families who may not be able to fulfil the required credits. The buyout money received allows the Sixers to secure help for the credits that were bought out.

- Full (40 credit) Buyout = \$650
- Half (20 credit) Buyout = \$325 and work 20 credits

#### Notes

- **NEW FOR 2023:** Pressbox (scoreboard/sound system) and Lead Concession training during tryouts May 21, 3pm.
- It is possible that additional DIB amounts may be added if SPASH or Pacelli host any post season games.
- SPYBA league games and their home tournament June 23-25 will be added to DIBS once that schedule has been released.
