

STEVENS POINT BERENS-SCRIBNER POST 6 LEGION BASEBALL

SIXERS

2024 Stevens Point Sixers American Legion Baseball Volunteer Requirements

For 2024, the Stevens Point Sixers Post 6 American Legion baseball board has made changes to our family volunteer requirements reducing the amount from 40 to 24 credits per player. This equates to more time for families to enjoy watching their son(s) play baseball. We did this by contracting high school and college students to work many of our concession stand shifts. To fulfill the family volunteer requirement, families should consider volunteer opportunities in our concession stand, announcers booth, selling 50/50 raffle tickets or prepping fields between Stevens Point Sixers double header games and at tournaments. We also have tournament director volunteer opportunities. Volunteer hours begin with the SPASH and Pacelli high school season and extend through the entire Stevens Point Sixers baseball season (end of July).

Required hours

2024 Required Minimum Volunteer Credits to fulfill = 24 credits (hours)

We ask those families not doing the buyout (see below), to secure 24 credits (hours) per player in Dibs. There will be more opportunities posted in the future if SPASH or Pacelli host post season games, for the SPYBA tournament this summer, and possibly Junior Regionals, if we are asked to host again.

- What happens if you are over the 24 credit (hour) requirement per player?
At the end of the season, you will have the option to be reimbursed for your extra time at the hourly wage paid to our workers OR donate your time to the Stevens Point Sixers Post 6 American Legion program.
- What happens if you are under the 24 credit (hour) requirement per player?
At the end of the season, you will be invoiced at \$25 per credit for each credit (hour) not worked.

The link to the [2024 Season - Sixers Volunteer Opportunities on DIBs](#) is posted on the [Stevens Point Sixers website](#) in the upper left hand corner. Our first volunteer opportunities begin in April with the Pacelli and SPASH high school seasons.

- Secure your volunteer spots now! The deadline for families to sign up for all 24 credits (hours) is Thursday, June 6, 2024 (first Junior Sixers home game at Bukolt Park).
- Be sure you sign into Sports Engine so the credits get applied to your athlete and you can monitor credit progress.

Buyout options

Buyout options per player are available to provide alternatives for families who may not be able to fulfill the required credits. The buyout money received allows the Stevens Point Sixers to secure workers for hours not worked. The deadline for families to buyout their volunteer hours is also Thursday, June 6, 2024

- Full (24 credits) buyout = \$480
- Half (12 credit) buyout = \$240 plus work 12 credits (12 hours)

Contact and Dibs support

Jenni Koback will be the lead Dibs coordinator for the 2024 season. Reach out to Jenni with any questions.
