Mid Am District COVID-19 Policy Update:

Given the current governmental orders in place within the boundaries of the Mid Am District, the Mid Am Board has chosen to extend the current suspension of any USA Hockey sanctioned activity from May 15, 2020 to June 15, 2020. It is the Board's intention that this policy will not be extended beyond June 15 unless new and exceptional circumstances arise and are communicated by a governmental authority. Above will be in effect unless individual states within the Mid Am District issue a return to play order prior to June 15, 2020.

Everyone must continue to comply with the policy of their state with respect to group activities, youth sports, and rink openings.

All changes will be posted to our website.
