Steph and LeAnne, here is the revised Jersey. Everyone at the arena tonight favored the one with the puck on the bottom. With the spinner, it should run about \$2.05 if we order 1000 pieces. Please look at it closely, do you want/think it needs to be revised in any way? Speak now! Thanks for your input, Brenda

Steve, they look great. The kids seem to like the idea of the Jersey but with some modifications. Can we:

1. Take away the puck
2. Put the FF logo on a spinner on the front of the jersey. The Logo is two Capital F's with crossed hockey sticks inbetween, and a puck at the base of the crossed sticks. One F is a little staggered (make sense?)
3. Take away the small gold stripe on the jersey replace with a small white stripe on the top and the bottom of the wide gold band.
4. At the bottom of the Jersey add OTTERS 2008-2009

On the Otter with net, can we:

1. Change the dangle to a hockey skate
