

HOST SITE REQUIREMENTS:

When requesting to host Coach certification clinics hosts must be able to meet the following requirements:

Facilities should have a multi-purpose/meeting room suitable for **30-35 people** for the classroom session.

We ask the hosts to have a good supply of pucks and pylons for all sessions. We will bring all necessary electronics with us but we require the host provide a screen or a white wall to project on. If the host has a LCD projector available that would be preferred.

Coach 1 and Coach 2

HOW TO REQUEST A CLINIC:

When requesting Coach certification clinics you must provide the following information to your Regional representative that is responsible for booking clinics:

- Clinic Type
- Facility (including classroom location and ice location)
- Date
- Start time for classroom session
- Start time for on-ice session

Once the clinic has been confirmed, online registration will be set up on eHockey. A direct link will be sent to the Regions to be passed on to the Minor Hockey Associations. We open clinics up to all registered coaches in the province but your Minor Hockey Association will have first priority.

The clinics require a **minimum** of 10 participants and will be capped at a **maximum** of 30 participants.

PLEASE NOTE: Clinics that do not meet the minimum requirement of attendees may be subject to cancellation two days prior to the clinic date. Participants signed up for the clinic will be notified via email if the clinic is cancelled.
