Jr. Gold Report:

- The league wants to change where teams sit at the end of the season for teams to move levels whether it’s up or down.
- All associations should have a tryout and not just “place” kids on a team, associations have been doing that.
- Social media issue-associations need to be aware of the situation, Instagram pictures and stories were offensive

Director report

will be forwarding all more info on the world showdown during world juniors.

Please register and get safesport done asap.

Let everyone know that I was appointed as the Executive Director of MN Hockey.

I will be sending more soon.

I may be releasing my office so I will keep you posted so we can possibly find a new location.

President Report:

- Separating referee and HP program on their own for bank account reasons
- Year-end tournament were the last week of playoffs, this year it will be different, so associations need to figure out their volunteers for regions because this year there was a lack of volunteers from associations.

New Business:

- Forest Lake-Pay Ref's more
- Forest Lake wants to hose a non-region bound tournament
- Refs got a raise in 2024
- Game Sheet changing their fees for 2025 season-charge \$8.50 a game to the home association
- Leadership training for Associations registration is still up
- HP fall registration will be opening next month
- Proposed rule changes need to be submitted by May 18 for the June 22 meeting
- Do we make sure that Kevin and Dave are at a meeting, work can't get done when we don't have leadership at the meeting
- Is there a better night or a different time for a meeting to get the reps to the meetings?
- Moving location to a more central location and somewhere that has food and drink.
- Decelerations need to be in by July meeting
- Stillwater nominates Kevin Souja to the Director Role for District 2 Hockey
- Next Month's meeting is the annual meeting

Sit Paul motioned to adjourn Meeting at 8:07pm Stillwater seconded
