Did You Know?

Organized soccer is available to young athletes with developmental or other disabilities through the LaGrange Soccer Club.

About the Program

Since 1999, LaGrange Soccer Club has proudly hosted the area's first youth soccer program for athletes with special needs. Open to players ages 5–21, regardless of residency, the program offers children the chance to learn the game, build friendships, and enjoy the spirit of competition in a supportive and inclusive environment. Families and friends of these young athletes also forge bonds as they cheer along on the sidelines.

How It Works

Players meet every Saturday morning in the fall and spring, each season running eight weeks. Sessions focus on socializing, exercising, learning soccer skills, and developing motor skills—all while fostering confidence and a sense of belonging. Every player receives a uniform, a trophy, and participates in an end-of-season celebration.

Program Highlights

- Led by two dedicated coaches, Coach Michael and Coach Andrew.
- Supported by LSC's mentorship program, where travel teams join sessions to teach skills and play alongside athletes.

This league is dedicated to teaching the fundamentals of soccer, teamwork, sportsmanship, and fair play—while ensuring every participant feels successful.

Get Involved

- Registration is open year-round at www.lagrangesoccer.org
- Seasons begin in early April (spring) and the weekend after Labor Day (fall). Coaches contact families the week prior to the start of each session.
- Games take place Saturdays, 11 a.m.–12:15 p.m., at Stringham Park.
- For more information, contact Jeff Feldman, past president of LaGrange Soccer Club, at (845) 897-5199.
