Step 2

COVID MITIGATION

- Facility
 - Cleaned daily
 - High touch surfaces cleaned continuously throughout the day
- Masks Required
 - Must be always worn
 - UPDATED:** During play athletes now are required to wear a mask
 - We recommend the Under Armor Sports Mask
 - They have a gray color that will match player uniforms
 - They have a blue to match goalie uniforms
- Spectators
 - Starting on November 18th No Fans or Spectators (Drop & Go)
- Physical Distancing
 - Large Plastic Dots are placed around the court, spaced six feet apart
 - ONLY Athletic Gear, Water bottles, Masks, Handwipes, and Hand Sanitizer are allowed on each athlete's dot.
 - NO Bookbags, etc.

Step 3

BONUS MITIGATION

- Team Safety Briefing
- HVAC Units
 - Additional (4) Twenty-Ton Installed with HEPA Filters (6 total)
 - Increased fresh airflow with added micron level filtration
- UV Air Purification System
 - One unit has been installed in every HVAC system in the facility

Step 4
