#### USA Hockey Report

- Nothing to report.

#### SECRETARY'S REPORT

- Minutes from the December meeting will be updated and distributed for February's meeting.

#### TREASURER'S REPORT

- \$145,805.03 in our checking account and \$100,019.40 in our savings account.
- I did receive one set of receipts for Grow the Sport.
- If someone from South Pittsburgh Rebellion could email the address which I could issue them a check that would be greatly appreciated.
- I have been keeping up with all of the fines that have been levied since we are getting towards the end of the season, so I can get a good count on that. I have also been working on reconciling all of our accounts.
- Emails went out to folks that owed for their penalty fund and those I have still not received dues from.

- A list of teams that might still owe some fees and/or need to add to their penalty fund, we will reach out to let them know that their penalty fund has been exhausted or is in the negative.

#### PRESIDENT'S REPORT

- We have succeeded in securing our 501(3) (C) status and it has changed a couple of things we can do as a league. I thank Darcee for taking care of all of that.

#### PAHL STANDING REPORTS:

#### EXECUTIVE ADMINSTRATOR

- The annual fee reconciliation of the per player fees is almost done and ready to go to Courtney and be sent out to all of you but, I am waiting on two pieces of information. North Pittsburgh and Erie, I need your registrar to send me the list of the girls that are double rostered on your youth teams.
- Academic All-Star information went out and they are starting to come in already. Just remind your managers to get their parents to have this completed in the next two months.
- Ponytail Jamboree registration went out and that's time sensitive. We need to make sure that your 8U coordinators are getting that registration out to your 8U girls so they can register for that event.
- The ODSET registrations for the 10U playoffs have about another week to come in and be postmarked. We really only have about 50% of the teams in so far. Please remind teams.
- Playoff hosts have all been assigned. They are posted on the website.
- President's Roundtable discussions have been scheduled this year. We thought it would be a good opportunity to have a small group conversation and a way to meet our new Administrator, Dave Fryer. Please when you come, bring some conversations that you would like to discuss. If you have not confirmed your attendance, please do so.

#### COMPETITION

- December 31<sup>st</sup> is the deadline to add players to rosters. Anytime you want to add players after the deadline, it has to go through a specific process. It has to go to the competition committee. It has to be approved by them first. Then it comes to the next meeting to be put on the table in front of all the membership and must be approved by them. We have two players that have been requested after the deadline.
- The first is Altoona, 10U A Minor White team wishes to add a player Rylinn Koon. She is a 2013 birthdate. She has had one year of hockey at the ADM blue level. They are asking to add her for the rest of the season.  
Motion Aviator/Mon Valley  
Passes
- The second player is from Morgantown. 10U B team. The team wishes to add a player named George Belsh who is a 2012 birth year. He has been in the Morgantown developmental program for a couple of semesters, has not played competitive hockey anywhere else. The team is currently 3-1-1. This is a developmental player going onto a 10U B team.  
Motion Aviators/North Hills  
Passes

#### DISCIPLINE

- We are over 249 in penalties for this current season down from 346 last season. Overall match penalties are higher than this time last year.
- Make sure to remind coaches/players if they get a game misconduct, they have to sit in the next regularly scheduled game. We are starting to see an uptick here and there of some coaches or business managers saying they didn't know they weren't aware they were to sit. Not sitting the next regularly scheduled game comes with

heavy penalties and coach suspensions. Basically if a player gets kicked off the ice, more than likely they are suspended for the next game.
