Travel- Fields are being coming an issue due to weather. Town cannot cut or line because they are too wet. Chuck has a meeting setup with town to address concerns. Want to order coaches shirts for next year but the cost is high we could build into the price of registration to help defer cost. Coaches would like 1st aid kits Jeff will order 24 kits and let coaches know when they are in and ready for pickup. Joe will get a \$300 gift card for Dave K family. Kevin W brought up concerns about Clarence moving up try outs to June 20-24. Fields need to be ready for 1st game need a group of volunteers to get nets up and set. Once this happens the town can line the fields.
