We will be holding a one day tryout to fill open spots in our girl's program *only*. If your daughter is interested in learning more about the AAU basketball opportunities with GR please join us for this free skills session!

Please **REGISTER** your daughter so that we can be sure we have the appropriate number of Coaches onsite for evaluation on this day. **TO REGISTER** for this *free* event, **email your daughter's name and current grade level to Erika Payne** at erika@surconstructionwest.com by Thursday, 1/16/2020. If you are a current Gym Rats Player please encourage your friends to join us! All current Gym Rats players should plan to attend as well if possible.

Teams will be set for the 2020 season by 1/31/2020 so that uniforms may be ordered.

The girls typically practice twice a week in Marlborough or Keene and will play in roughly 5 tournaments during the months of March through June. Tournament locations vary but are typically in NH and MA, and can be either one or two day tournaments.

The NH Gym Rats teach, develop, organize, manage, and offer youth players the opportunity to learn the fundamental skills of basketball while instilling life-lessons and values such as character, team work, discipline, respect and sportsmanship.
