

HDC Meeting Minutes – July 8th, 2019

Attendance: Corey Rupp, Neil Huewe, Kurt Knott, Tony Manaussau, Mike Johnson, Bob Brink, Andy Haskell,
Absent: Pete Stanke

Mini Lumberjack Update – 32 players are signed up. Fitting nights are happening right now and overall support is good. Overall feel good about numbers for first year and if anyone registers yet direct to Corey Rupp to get them registered.

Squirt Team Classification – HDC is recommending A1, A2, one B team and two equal C teams. We feel will really make the C teams competitive and avoid the challenge we had last year with our B teams not able to find competitive games. We know the A2 team will be challenged in some games but still competitive and we will schedule with top B teams and lower A teams to make schedule strong.

Other Age Group Classifications – Here are HDC recommended team classifications for upcoming season:

- Bantam 3 teams (AA,B1,B2)
- Peewee 3 teams (AA, B1, B2)
- 12U 1 team (A)
- Squirt 5 teams (A1,A1,B, two equal C's)
- 10U two teams (A,B)

Hockey Camps and Fall Ice – Camp registrations are at 31 and want to get to 60. Board has been recruiting and should be able to get to 60 so Fall Ice should be a go. Need to finalize schedule and fees for Fall ice. Looking at \$40 for mites and 2 nights a week, \$125 for all others for 4 nights a week. We are also looking at options to build in goalie clinics and possibly Power Skating.

Coaching Applications – We will get the coaching applications going with a deadline of mid-August for travel coaches. HDC will meet in August to start looking at potential coaching assignments and if there are any potential gaps for coaches this year.

Respectfully submitted: Corey Rupp
