

Ice Show Committee Possible Volunteer Options/ Descriptions

Promote Ice Show Registration and Costume Measuring:

- We are hoping to get more LTS skaters involved in the ice show this year. Volunteers can help with sign-ups and costume measuring at some LTS practices in October

Program/Music Ideas:

- Our theme this year is storybook. I have some script and song ideas, but would love to hear additional ideas. I will send out a meeting invite soon for anyone who may want to brainstorm some ideas and music. I would like to have a list of music to present to the coaches, and then the coaches could choose which may work best for choreography.

Costumes:

- Once we have our line-up and music set, costumes will be ordered late November/early December. If you have interest in helping with this contact Theresa Lau (theresalau20@yahoo.com)

On The Stage Ticket Website:

- A volunteer would be very helpful to help set up our ticketing site, especially gathering skater photos and entering them on the cast page

Photography:

- If you have any ideas for possible photographer's to take action shots during the show we would love to hear them! Also, any snapshots of skaters during practices, dress rehearsal and the shows would be helpful for advertising and social media.

Spotlights:

- We have previously rented from Norcostco; we would like to explore additional options, and also consider purchasing.

Pictures:

- Help set up date and schedule for pre-show pictures

Flowers:

- Help order and set up flowers for sale at the show

I-tunes set-up:

- If anyone has experience with I-tunes playlists, we could use help arranging this to play for the show
