7. Coaches Corner

Coach Wallace

Congratulations to all 9 players that signed their NIL this past week to play at the next level in college.

Players should have a goal to lift 3-5 times/week. Eat, lift run, hit, a bit of catching. Pitchers arms should be completely shut down for now. The players should be dialed into their physical focus and workout more than throwing or hitting at this time of year.

Shoe orders thru BSN are available on our website link. Not mandatory to buy thru BSN but if you buy shoes on your own, they must be Navy or White.

Angel Tree – giving back to our community in need for the Holiday season. Donations of \$10- \$20 per player to purchase the child's gifts. More information to come.

Field Situation- Coach Wallace is working with LISD to see if can help with funds towards renovating the field. To completely renovate the field will cost \$35,000. To complete the project once started would take 3-4 days.
