

We are only a couple of days away from the big soccer scrimmage competition held this Saturday, August 24 at SCORE in Franksville, WI. AFC Union Soccer Club hosts this as a fundraiser; therefore, **there is a \$5 Parking Fee per vehicle.**

**Here are the details:**

The [Varsity matches](#) are:

9:00 am - vs. Delevan Darien HS on Field 40 (White/Black/White)

11:00 am vs. Mukwonago HS on Field 41 (White/Black/White)

1:00 pm vs. Marquette JV HS on Field 40 (White/Black/White)

The [JV matches](#) are:

10:00 am vs University School - Milwaukee on Field 40 (Black/Black/Black)

12:00 pm vs Madison East on Field 40 (Black/Black/Black)

2:00 pm vs New Berlin Eisenhower on Field 39 (White/Black/White)

We have been blessed to have all our JV and Varsity games in one location, which will allow us to "set up camp" near our field location. Please note the [FIELD MAP](#) for the field locations. And again, do not forget the \$5 parking fee per vehicle entry. You will also need chairs. **There is no permanent seating near our fields.**

As far as food, you should have received an email from Catherine Mantuano who is organizing food for the boys between scrimmages. (Thank you, Catherine!) I will have water and Gatorade for the players as well. In addition, the AFC Union Club will also have a full concession stand of food selection to purchase.

Finally, in the past, most players arrived at the scrimmages by driving themselves or from parents or another carpooling arrangement; **so we are not planning to take a bus from Shoreland.**

However, I will still ask the boys today and tomorrow if anyone will need transportation to the scrimmages. If someone does need a ride, they should let us know and we will look to arrange a ride for them. Most likely they would need to get dropped off and picked up at Shoreland if that is the case.

The [player/parent contact information](#) is attached as well. We have recent additions to the team, so I want to make sure everyone has that information correct and updated.

Please let me know if you have any questions.
