Hole Sponsor	\$150

**Dinner Sponsor will also be a named sponsor of the ARAA Sponsorship Dinner and receive four tickets*

About ARAA

ARAA believes every child deserves an opportunity to participate in youth sports and a family's income, or a lack thereof, should not prohibit a child's involvement. Youth that are involved in sports learn important life lessons in teamwork, discipline, sportsmanship, success, persistence, and even failure. Youth sports are however, expensive and our athletic association does not have the funds to cover registration or provide additional player equipment grants without important donations and sponsorships.
