

June Booster Club Notes

June 18, 2019

Attendance: Janee, Mary, Quentin, Jeremy and Jennifer, Tom and Tammy, Michelle, Janelle, Kathy, Jill, Jamie, Nancy, Christine

Financial Report

\$15, 113.67

Plus golf tournament- \$2800

TFC- Christy Fogarty resigned and now Jenny Winston now is President

Coach report-numbers not as good as we were hoping-
25 signed up so far- still planning to donate proceeds to the program

New Business-

Fall Budget Expense-pause

Pre-season HS Player Camp Discussion- motion to reopen discussion- tentatively planning to be held at Luther- anyone can sign up \$400 per player and Booster to pay for transportation

Idea- start with Varsity and JV players with Booster Club paying for 18-20 – with idea that seniors would eventually get to go

Question about what the goal of the camp was- to foster the Varsity team- skill development and bonding opportunity- Quentin thinks this is what Aaron was wanting

Booster Club could pay for 20-Would be the Varsity team including all seniors-
Tammy A suggested paying for part but not all of it- half?

Timing is an issue because you won't know the team....also a lot of players will be on vacations, mission trips and potentially soccer tournaments

Keep as is- allow anyone to go and have them pay- prioritizing juniors and seniors and varsity players- as was voted on from last time- Booster to pay for transportation

Need to find out what commitment is from the players and also finalize dates to see if this is really realistic this year?

Need to get Coach Aaron to take the lead on above

Parent Night Out-

Question motioned to pay for all the players to play on August 17 and for the Parent Night -
passed

Organize the players ahead of time to Seniors spread out with younger players-

June Booster Club Notes

June 18, 2019

Propose That we add the Parent Night Out ticket cost into the booster club. Sell the tickets and keep the money. Selling more tickets -- the profits go back to the booster club. More tickets will be given thru Board Members. Plan will be have each player sell a certain amount of tickets- 5 potentially

July 29th Fall Sport meeting/ booster club drive- Quentin will reserve space- 7:30pm have players come- do t-shirts, have sizes there to try on in the commons area

Old Business-

Golf tournament post-mortem- is it worth doing again? Chris would like to put something on FB as thankyou for the sponsors

Booster benefits-

Banquet, sweatshirts (\$55), practice shirt (\$22) , socks (\$9)- get two pairs and option to sell tickets up to \$50

Need to outline the benefits at the Parent night meeting on the 29th for Booster club participation- i.e. value is \$225 and they are paying \$175- but get \$50 back if sell the parent night tickets- Westwood also gives a kickback -think it's 5%?

A la carte options for parents-Tom to work on including a knee high jacket- could include number for girls

Game day t-shirt- (\$22) and super fan shirt- offer separately

Jogger-\$35-optional

Jackets-

Fundraising-

Most are about a \$1000 (media guide, Cub bagging, Bingo and Concession) with the golf tournament bringing in more-\$2800-

Can we do two Bingo-Meat Raffles? Do on Mid- October and February

Adjourn at 8:46 pm
