The screenshot shows a game management interface with a dark background. At the top center is a yellow 'Score Game' button. Below it are two tabs: 'Game Details' and 'Teams/Rosters'. At the bottom is a 'Save Game Details' button.

To Record Shots on Goal:

Click Shot under each team that shot

The screenshot shows a game score display. On the left, 'RABBITS' has a score of 1. On the right, 'SNAKES' has a score of 0. In the center, it shows 'PERIOD 1st' and 'CLOCK 20:00'. Below the scores are 'Shot' buttons and 'SOG' (Shots on Goal) indicators: RABBITS has a 'Shot' button and 'SOG 1', while SNAKES has a 'Shot' button and 'SOG 0'. A 'Switch Sides' button is located in the center.

To Record a Goal:

Click on Goal

Select the scoring team

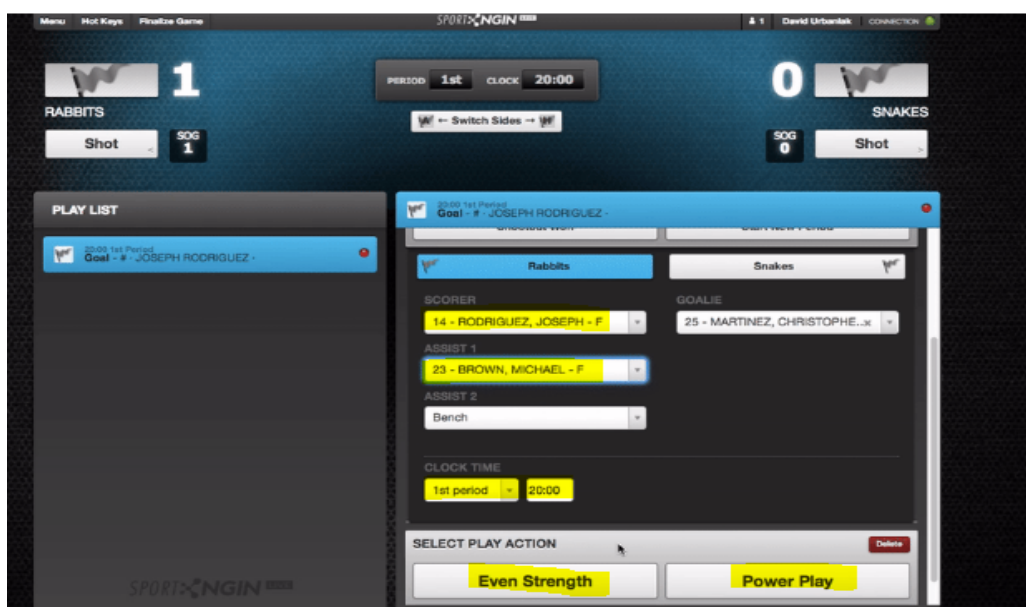

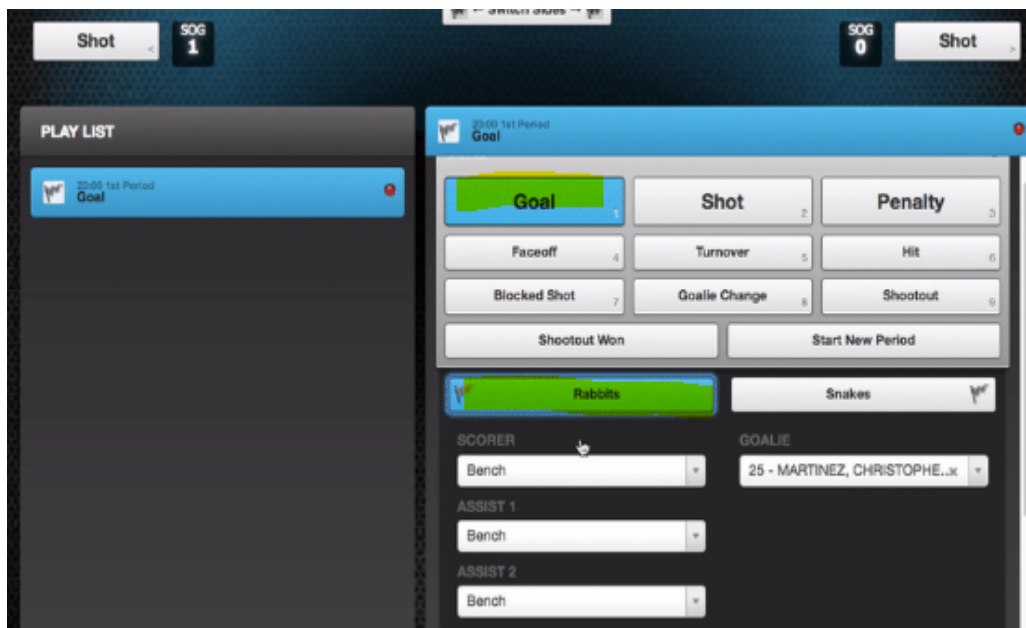

Select the player that scored. If there was also an assist, select the player(s) from the additional drop down boxes.

Put in the time goal was scored

Select whether it was Even Strength or Power Play Goal

Click Next Play

Shots on Goal are automatically updated when you record a goal

To Record a Penalty

Click on Penalty

Select the Team Penalty was on

Select the Player

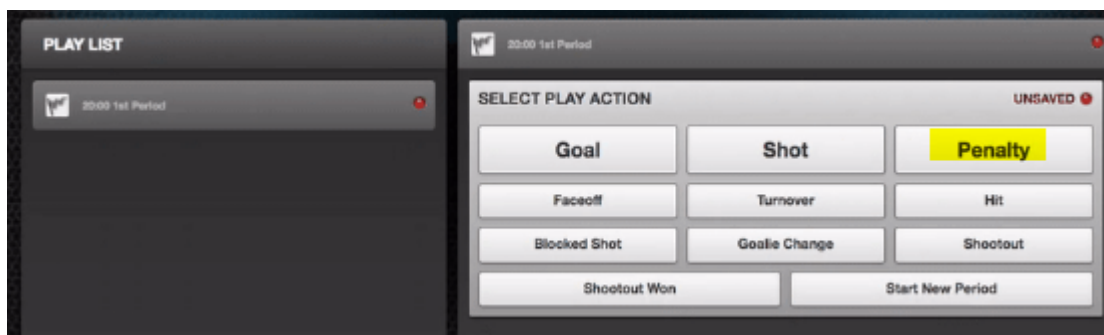

Select the Infraction

Enter the time of the penalty

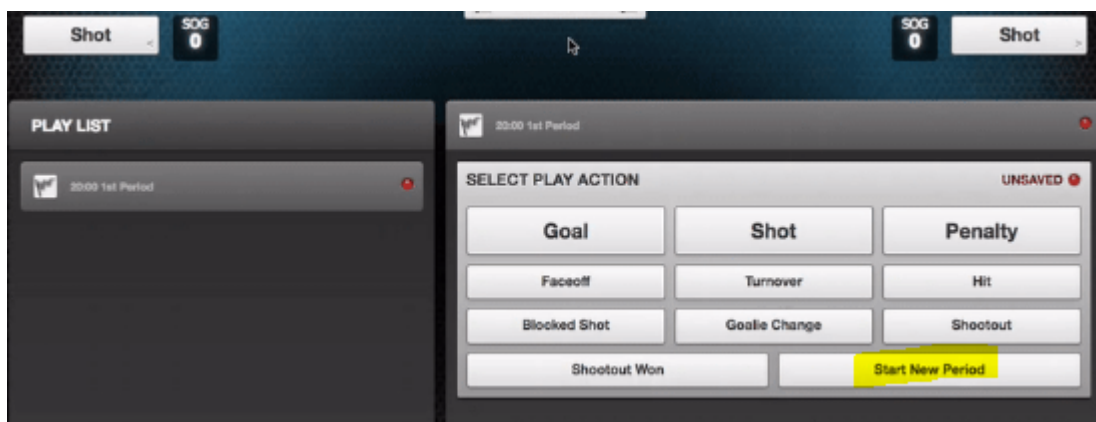

Select whether it was a 2:00 Minor or Major

Select whether it resulted in a Power Play or No Power Play

Click on Next Play

At the end of each period, once you have verified all Goals and Penalties (also double check to make sure SOG match the scoreboard) have been recorded, click on Start New Period then Next Play. This will switch to the next period.

Do Not Select Start New Period after Period 3 unless the game is going into Overtime.

At the end of the game, once all stats have been verified. Select Finalize Game at the top of the screen. It will ask you to verify the score. You will need to type in Rushmore as the official for the game.
