**Subject:** 2020 Fields for Kids Grant

**Follow Up Flag:** Flag for follow up  
**Flag Status:** Completed

Dear Paul:

On behalf of the Twins Community Fund Board of Directors, and the entire Minnesota Twins Baseball Club, I am pleased to inform you that the Oakdale Athletic Association has been awarded a 2020 Twins Fields for Kids matching grant of \$10,000. These grant funds are to be used specifically for the renovation project you described in your grant application.

We understand that COVID-19 and resulting business and office closures, changing budget priorities, and more may have impacted your project since you submitted your grant application. Please complete the grant agreement form, located at the link below, by April 17, 2020. This form will also provide an opportunity for you to update us on your project and project timeline.

A completed grant agreement is required before your grant check will be paid. Due to the current circumstances around COVID-19, Twins Community Fund staff is currently working remotely and as such grant checks may take several weeks to be processed and paid out. Thank you for your patience and understanding.

[REDACTED]

The Minnesota Twins and the Twins Community Fund unequivocally support the current Centers for Disease Control and Prevention (CDC) guidelines around social gatherings. While these guidelines mean that baseball and softball are on hold for now, we are proud that this Twins Fields for Kids grant will be there to create a field your organization is proud to call "home" when it is safe to play ball again.

Please continue to take care of yourselves, your families, and others.

**Stephanie Johnson**
