- If you have more than one penalty up press “Player Penalty” then use the up or down arrow to find the penalty you want to clear then press “Delete Penalty” button followed by **Enter\*Yes**

REA staff requests that we pick up after ourselves in the box.

I don’t know if this will help but someone told me that when you see the big asterisk the clock is asking you a question that you must answer. Knowing this did allow me to become one with and conquer this machine.
