NORTHFIELD BOOSTER CLUB

The Northfield Booster Club is dedicated to the support and improvement of youth athletic programs in Northfield.

The club was organized during the summer of 1987 by a group of parents interested in helping student-athletes in our schools and community.

Objectives:

To promote athletic programs, to increase community awareness and encourage personal support through attendance and involvement.

To raise and distribute money to help support athletic programs.

The Northfield Booster Club is an association of people who are committed to students and athletics.

For over three decades, the Northfield Booster Club has raised money to support our schools' athletic programs.

You are invited to join the Northfield Booster Club and indicate on the backside of the attached form ways in which you can help.

Membership fees, along with your active involvement, will empower the Northfield Booster Club to do even more for our children and our communities through athletics.

If you have any questions, please email northfieldmn.boosterclub@gmail.com. Members are welcome to attend board meetings normally held the 1st Monday of each month at 6:00 p.m. at Northfield High School.

The Northfield Booster Club is supported by a significant number of local businesses. We are grateful for their contributions, and we encourage you to support them. They are some of our children's biggest boosters!

YES! I/We want to help the youth of Northfield by joining the Northfield Booster Club. 100% of my donation is directly supporting Northfield schools' youth athletic activities.
